[2Seater] NO. W32612****

[3Seater] NO. W32603****

The sofa carries references to traditional Japanese architecture and Danish furniture design from the '50s. The armrest continues along with the backrest of the sofa, fulfilling the functionality as a side-table, creating a place to put items. All details are visible and proudly displayed through an honest design language. The cushion sheets all have covering finish.
