

Soul Food Donations

Dear SOUL Church Family,

As we come together in faith and compassion, we have a great opportunity to support those struggling in our community. We now have a food donation drop-off point outside our SOUL Supermarket, where we are collecting essential items for families in need. Your generosity—whether tinned goods, pasta, cereal, toiletries, or baby supplies—will bring hope and relief to many. Let's be the hands and feet of Jesus, sharing His love through action. Thank you for your kindness and for shining His light in our community!

.....
