

These are tentative National standings as of 7/18/2025.

Shows not included - South West Regional, Sooner March (rescheduled), Texas 5/16, Oregon 5/30, Rocky Mountain Regional, Utah 6/13, Washington 6/28, West World, Mid America Regional, and Congress.

When we tried to pull the annual award standing report, the report would not generate. These awards were all pulled individually.

Look forward to a traditional report and updated points with the above shows by July 25th. The software developer is working on the report upgrades.

Open show points will be on next weeks updates.
