

YOUTH REGISTER OF MERIT APPLICATION

Please check all past show records to see if I qualify for the Youth Register of Merit. I have read the ROM rules in the current POAC Official Handbook. Register Of Merit Points do not need to be accumulated all in one year.

To Qualify for a Youth ROM points may be accumulated in horsemanship and equitation classes only. The Youth must accumulate 500 points. Points may be earned over more than one year and on more than one pony.

The processing fee the Youth ROM is \$10. If you apply and you lack points to complete the Youth ROM you will receive letter stating how many points are needed to complete the Youth ROM. If you are interested in receiving lifetime points a request form is available on our website or by request from the Home Office.

Remember:

Show points for the current year may not be recorded for up to 6 weeks after a show has been held, depending on when the show results are submitted and the volume of shows received by the Show Department during the busy show months. If you need a show to be in the system to qualify for this ROM you will want to let us know so we pull the point after the show has been imported into the national system.
