2027 SELECT SIRE FUTURITY

MARE NOMINATION INFORMATION & PAYMENT SCHEDULE

MARE OWNERS

If your mare is bred to one of the Select Sires, fill out the Mare Nomination Form and send it along with the $40 nomination fee. If you purchased the breeding service directly through the Select Sire Stallion Service, or if you donated the service of the listed stallion, you are entitled to nominate your mare at half; therefore, you would send $20 with your Mare Nomination Form. Any additional nominations from the same owner and stallion are $20 each.

Mare nominations must be postmarked by December 31, 2026 to make foals eligible to show in the 2027 Select Sire Futurity.

HOW THE PURSE IS DISTRIBUTED

All stallion service fees, nomination fees and sustaining payments for mares and foals go into one pot. Except for sustaining fees and entry fees, which are based on the number in each class, the purse is split equally between the filly class and the colt class, regardless of the number of entries in each division.

Each purse is then divided, with 80 percent being paid to the owners of the top ten foals and 20 percent being paid to the owners of the sires of the top four foals.

For maximum fairness, a three-judge system will be used.
