VINEYARD NOTES

This organically farmed vineyard is situated in a north-northwest row orientation trellised in vertical shoot positioning. High density vineyard blocks of 5,600 vines per hectare with an altitude of 200 m. The soil is predominantly decomposed granite, with pockets of shale and sandstone. The vines were planted in 2009 and 2010.

WINEMAKING NOTES

The hand-harvested grapes were destemmed, crushed and fermented in stainless steel tanks, with pump-overs performed twice daily. The wine was gently pressed and racked to barrels for malolactic fermentation.

TASTING NOTES

Intricate aromas and flavors of white pepper and red berry fruit, with soft, refined tannins on the finish. It's juicy enough for solo sipping yet has enough grip to pair with steak.
