SHEEP RANGE

LambGro®

LambGro® is a nutritionally balanced 4mm pellet containing the necessary energy, protein, calcium and phosphorus to maximise lamb growth and increase survival rates and feedlot performance.

Features		Benefits
Nutritionally balanced ration	>	A balanced formulation designed to meet the high nutritional demands of early-weaned lambs
High protein & energy ration	>	Optimal protein level for growth and development of early-weaned lambs and finishing lambs in feedlots
Quality assured vitamin/trace	>	Provides all the essential vitamins and minerals to meet the high nutritional demands of rapidly growing lambs
Effective fibre	>	Sufficient fibre which aids in the prevention of acidosis
Natural essential oils	>	Ionophore free, containing a unique blend of micro-encapsulated natural essential oils for improved health and performance
Molasses added	>	Increases palatability and feed intake
4mm Pelleted feed	>	Can be fed out in adjustable lick feeders to reduce wastage and ensure there is no spread of weed seeds
Raw material receival standards	>	High quality and safety of ingredients
Optimal value	>	Maximised lamb growth and survival rates

NUTRITIONAL ANALYSIS

Nutrients	Dry matter basis
Crude Protein (min)	16.0%
Metabolisable Energy (est)	12.0MJ/kg
ADF (min)	17.0%
NDF (min)	35.0%
Calcium (min)	0.9%
Phosphorus (min)	0.35%
Magnesium (min)	0.2%
Potassium	0.7%
Selenium	500ug/kg
Vitamin E (added)	75mg/kg
Natural Essential Oils	150mg/kg

INGREDIENT SELECTION

Cereal grains, lupins, cereal by-products, cereal straw, canola meal, minerals, molasses, salt, vitamin/trace mineral premix, micro-encapsulated natural essential oil blend.

FEEDING DIRECTIONS

LambGro® is designed to be fed ad lib to lambs from 9 weeks of age. Hay or straw should be fed for the first week. It can be fed safely in adjustable lick feeders.

LambGro® increases the bodyweight of young lambs resulting in heavier lambs available for sale. LambGro® is also suitable for ewes & rams in preparation for joining, together with being a nutrient dense feed available for pregnant or lactating ewes.

LambGro® is ionophore free, containing a unique blend of micro-encapsulated essential oils for improved health & performance.
