### Distributor's notes

100% Albariño - Made up of 3 farms in the Miñor Valley, Pazo Barreiro being the focal point for the production. Steep, terraced slopes over granite soils, grapes are cultivated in the most natural way possible. A project focused on restoration, the estate is the result of a rebuilding of parcels of vineyards to resurrect the only DO Rías Baixas vineyard in the Miñor Valley region.

The grapes are hand-harvested and stored overnight at 10C degrees, and slow fermentations take place at cellar temperature in stainless-steel tanks, with a small portion of the harvest fermented in French oak. The wines are then raised on lees, undisturbed, for six months before bottling which add further dimension to these exquisite wines. Minimal SO2. Everything you'd expect from Albariño: mineral to its core with beautiful, crisp acidity and many reasons to return to the glass for your next sip.

### About the product

Clean and pale yellow color with green hints Very expressive and intense nose, with some notes of tropical fruits and White flowers. Good acidity in the mouth, with a friendly, round and weight feeling due to the time on lees and the slight ageing in barrels. Good length and refreshing acidity.
