A Member-Driven Solution to Group Purchasing

Rev I - 5/4/2020

Note: This catalog is subject to frequent revisions.  
 Please contact your Value First representative for the most up-to-date version.

## PURCHASING POWER

Value First is a group purchasing organization (GPO) that leverages the buying power of long-term care communities across the country to provide significant savings on food, medical, environmental, office supplies and capital equipment. In collaboration with Provista, a supply chain partner with more than 200,000 customers, contracts are negotiated with suppliers based on over \$100 Billion of shared purchasing volume. More volume means bigger discounts.
