Who we are

The Community Foundation of Broward, founded in 1984, partners with individuals, families and organizations to create personalized charitable funds that support game-changing philanthropy. As a grantmaking public charity, we provide leadership and resources to make life better in Broward. Through endowment, we build permanent philanthropic resources for Broward to take care of itself today and for generations to come.

Your Partner for BOLD Impact

Here are a few examples of how partnering with the Community Foundation makes your giving easier, more enjoyable and amplifies your opportunities to create BOLD impact.

◆ Kurt and Patty Zimmerman

Kurt and Patty Zimmerman want their philanthropy to help the community they love where it's needed most. Through the flexibility offered by their **Endowed Unrestricted Fund** at the Community Foundation, they provide support for the environment, seniors, affordable housing, at-risk youth and more. With the Community Foundation as their partner, Kurt and Patty's endowed support will always be there to respond to Broward's changing needs.

Jonathan and Timothy Allen ◆

Jonathan and Timothy Allen partner with the Community Foundation to carry on their trailblazing father's legacy of breaking down barriers to achievement. By establishing **Endowed Scholarship Funds** in honor of their father W. George Allen – who led the legal fight to desegregate Broward schools – Jonathan and Timothy empower a new generation of students to pursue academic success. And through estate gift commitments to the Community Foundation, Jonathan and Timothy are furthering a family tradition of local philanthropy.

◆ Mona Pittenger

Mona Pittenger, a longtime LGBTQ+ activist, wanted to amplify the scope and impact of her philanthropy. By partnering with the Community Foundation to create three **Endowed Donor-Advised Funds**, Mona established sustainable, permanent support to champion racial justice, equity, diversity and inclusion in her adopted home. With the Community Foundation to shepherd and grow her endowed funds, Mona's support will always be there to help people break through barriers to success.

Steve and Madelaine Halmos ◆

Steve and Madelaine Halmos prioritize helping others achieve the American Dream. Their longtime support for children and families in need enabled the Jack & Jill Center to launch a state-of-the-art elementary school. To ensure their support for Jack & Jill's mission never ends, they created an **Endowed Designated Fund** at the Community Foundation. Steve and Madelaine's endowed support will provide college scholarships for Jack & Jill graduates and emergency aid for families in need, for generations to come.
