VOX[®] CONFERENCE

T-BASE TABLES

2025

Prices include freight charges, blanket wrapped, dock delivered, from the manufacturing source to any location in the contiguous United States. Packing and/or crating are available, if required, upcharges apply.

VOX® T-BASE INTERIOR CLEARANCES

T-Base - This design includes a built-in vertical raceway which can be accessed from either side by removing the exterior aluminum center panels of the base. This is done by pulling the top of the panel. Reapplying the panel is equally as easy as you need only to depress it back into place. Cabling access is located directly under the center of the base in the floor. Once wires are pulled through they run into the raceway to the underside of the table. The following information gives specific dimensions for placing floor core drills or flush receptacles. The vertical raceway of the T-Base is manufactured in two different widths to accommodate small to very large tables. The larger raceway provides additional space for cable requirements. The T-Base is available in a mirror-polished or silver anodized aluminum finish.

HOW TO ORDER VOX® CONFERENCE TABLES

Vox Conference tables are available in a wide variety of shapes and sizes created for any application. All tables in the collection are based on a standard height of 28½" or 29". If there are special needs the Vox collection is versatile enough to be customized for special requests. Call your local Nienkämper Sales Representative or Nienkämper Customer Service at **1.800.668.9318**.

SELECT SHAPE

Use the table of contents, or simply flip through the Conference Tables section of the Planning Guide to select a table shape that is suitable. To help find a shape a small outline of the top is provided in the upper corner of each page.

SELECT BASE OPTION

There are seven different base designs for each table shape that offer both aesthetic and functional benefits. Each base design is listed by model number for every top shape with options and choices for base finishes. For the Duo, Tri or Quad base and the Access, Tower bases and Drum Base, a wood finish must also be selected, see page 8. Pages 17-23 illustrate the features of each base in detail and describe how it accommodates wiring.

SELECT SIZE AND MODEL NUMBER

L"	x	D"	Suggested Seating Capacity*	Top Finish	Top Sections	Model Number
120		42	8 - 10		2	51309/

Select the table size, from as small as 72" x 36" to as large as 240" x 84". Seating capacity is listed and can aid in determining the size required. Select a wood veneer or wood laminate option for your top.

SELECT EDGE PROFILE

Edge profiles can be specified on any table shape. A small profile drawing is located at the top of each page along with a two- or three letter code. This code must be added to the end of the model number. Refer to page 13 for images of all profiles and a scaled drawing of each top edge profile.

SELECT VENEER AND FINISH

If a wood veneer top was chosen, a species and finish must be selected. Page 8 describes all wood veneer options.

SELECT LAMINATE

If a laminate top is preferred, Nienkämper offers a variety of wood grain and solid color laminates to choose from. Refer to pages 9-11 for a complete listing as well as instructions for customer specified laminates. Wood edges on wood grain laminate tops are selected to most closely resemble both the species and color of the laminate. Facet and Taper edge profiles are available with laminate tops.

ALUMINUM FINISH

Aluminum finishes must be specified for T-Base and Duo style bases, the optional trim on the Access base, Forums and Accessories.

SELECT FORUMS (POWER / CONNECTIVITY SOLUTION)

Vox Forums provide a large variety of options for simple to complex connectivity requirements. Pages 206-235 describe these products and their features. Pages 209-211 show Vox Forum placement along the table top for all sizes of tops. Anodized aluminum finishes are listed on page 12.

Power Drawers and Power Troughs can be added to most Vox Conference Tables providing a full range of Connectivity and Power solutions. Details can be found on pages 236-253"

For further information on Forums, Power Edge, Power Trough and Power Drawer please contact Customer Service at 800.668.9318.

SELECT ACCESSORIES

A range of accessories can be specified that will enhance the performance of your Vox Conference table. All products that relate to wire management can be found on pages 254-267. Accessories, such as table pads and coasters, are also in this section.

VENEERS

All wood surfaces are protected with a durable polyurethane clear lacquer with UV inhibitor. This finish is known for its exceptional durability, as well as abrasion, chemical, impact and scratch resistance. Standard sheen level is 45 degrees. Optional matte, 5, 10 and 35 degree sheen levels are available on request at no additional cost.

VENEER GRAIN OPTIONS

Nienkämper products utilize the best quality veneers available, and, combined with Nienkämper's patented veneering systems, create work environments of incredible quality and beauty.

All veneer furniture comes standard with flat cut book-match veneer; flat cut slip-match veneer can also be specified. Quarter cut slip-match and quarter cut book-match veneers are available at a 5% upcharge. Figured Anagre and Figured Sycamore veneers are Quarter cut book-matched. Bird's Eye Maple and Curly Maple are rotary cut.

Facet Edge, Taper edge and Flowform edge tops with veneer are manufactured with a solid wood edge. All edges are then veneer wrapped to create a seamless profile top.

P-LAM

Wood grain plastic laminate surfaces are available on table tops with Self and Taper edges.

These tops are manufactured with a solid wood edge that is applied prior to the laminate top surface. This method conceals the thickness of the wood edge, while providing the durability required. Wood edges are selected that most closely resemble both the species and the color of the laminate chosen

Nienkämper has pre-selected a number of standard wood grain plastic laminates that represent a cross section of both color and species. Simply include the order code with the model number to make these selections. Alternatively wood grain plastic laminates selected outside of Nienkämper's standard selection can be made by specifying the manufacturer as well as the description and model number of the laminate at the time of order.

Wood Grain Plastic Laminate Surfaces	Order Code	Manufacturer #	Finish
Champagne Sagawood	WL1	Nevamar WM8349T	Textured
Hardrock Maple	WL2	Pionite WM791-SD	Textured/Suede
Anagre	WL4	Pionite WX041	Suede
Monticello Maple	WL5	Wilsonart 7925-38	Fine Velvet Texture
Millwork Cherry	WL7	Pionite WC431	PV-Polished Velvet
Huntington Maple	WL9	Wilsonart 7929-38	Fine Velvet Texture
Wild Cherry	WL10	Formica 5904.43	Artisan
Amber Cherry	WL11	Wilsonart 7919.38	Fine Velvet Texture
Figured Mahogany	WL12	Wilsonart 7040-60	Matte
Fusion Maple	WL13	Wilsonart 7909-78	Fine Grain
New Age Oak	WL14	Wilsonart 7938-78	Fine Grain
Natural Pear	WL15	Wilsonart 7061-78	Fine Grain
Tuscan Walnut	WL16	Wilsonart 7921-78	Fine Grain
Nepal Teak	WL17	Wilsonart 7209-78	Fine Grain
Wild Cherry	WL18	Wilsonart 7054-78	Fine Grain
River Cherry	WL19	Wilsonart 7937-78	Fine Grain
Montana Walnut	WL20	Wilsonart 7110-78	Fine Grain
Windsor Mahogany	WL22	Wilsonart 7039-78	Fine Grain
Williamsburg Cherry	WL23	Wilsonart 7936-78	Fine Grain
Florence Walnut	WL25	Wilsonart 7993-78	Fine Grain
Skyline Walnut	WL26	Wilsonart 7964K-12	Soft Grain
Sterling Ash	WL27	Wilsonart 7995-78	Fine Grain
Ginger Root Maple	WL28	Formica 7288-58	Matte

To specify the wood grain laminate required simply add the Order Code WL_ to the model number of the product.

Wood grain laminate samples are available from your local sales representative or by calling Nienkämper's customer service department at 1-800-668-9318.

P-LAM

COLORED P-LAM

Both Taper and Self edge profiles are available with a colored laminate top.

Laminate edging on Taper tops. Edging will match the top surface and is applied before the surface laminate. By applying the laminate in this way, the seam is positioned horizontally, which makes it much less conspicuous and more durable.

Wood edging on Self and Taper Edge tops are applied before the laminate. By applying the wood edge in this way, the wood edge thickness is concealed, while providing the durability required. Wood species and finishes for edging can be selected from page 8.

For laminates specified outside of Nienkämper’s standard selection, specify the manufacturer as well as the description and model number of the laminate selected at the time of order. For Facet edge tops, the laminate must be a post-forming grade.

Translucent edging on Self and Taper edge tops is applied after the surface laminate. The translucent edge is very durable. Clear translucent edge provides a good match with most white-colored laminates, while a silver translucent edge provides a metallic look and contrast to colored plastic laminates.

P-Lam top & Self edge

*An unavoidable, thin dark line will be visible when specifying a matching p.lam edge. This is more pronounced with light colored laminates

P-Lam top & Translucent Self edge

P-LAM

FINGERPRINT RESISTANT P-LAM

Fingerprint Resistant Plastic Laminate is an innovative material created for interior design applications and is suitable for both vertical and horizontal interior applications on our Nienkämper furniture.

The external surface of Fingerprint Resistant Plastic Laminate involves the use of nanotechnology made possible by next generation acrylic resins.

The unique composition offers extraordinary features coupled with a unique user experience. These include an ultra matte surface (eliminating glare), an ultra sofa feel, an anti-fingerprint surface, thermal healing of micro-scratches, increased durability as well as anti-bacterial and mold-resistant properties.

Edgeband matching all Fingerprint Resistant Plastic Laminate colors is only available when specifying a Taper edge. For Self edge tops 1" and 1 1/4" thick, matching edgeband are only available in Black (RL-01) and White (RL-03). When a matching edgeband is not available, the specified surface laminate is used on the edge. **Contact Customer Service for more details 800.668-9318.**

There is a 20% upcharge on our standard plastic laminate table pricing for Fingerprint Resistant Plastic Laminate.

EDGE DETAILS - CONFERENCE TABLES

Conference tables with tops that are 1 ¼" thick have 6 edge profiles to choose from. To select:

Facet Edge add "FC" after the table model number

Taper Edge add "TE" after the table model number

Flowform Edge add "FF" after the table model number

Camber Edge add "CE" after the table model number

Flowform Edge and Camber Edge require a 5% upcharge

Flowform edged tops are veneer-wrapped, and are not available with plastic laminate

- Rectangle shape, Boat shape, Vista shape and Congress shape tops specified with a Flowform Edge have this edge profile on two sides only, with self edges on the two ends of the top.
- All conference table tops are 1 ¼" thick, edges are manufactured with a profiled solid wood edge.
- Camber edge is standard with an 8" radius corner feature on rectangle, boat, square, and vista shaped tops.

72" x 36" Rectangle top

SPECIAL TOP OPTIONS – VOX® CONFERENCE TABLES

A range of special top options are available for creating unique tables. By adding reveals, stain and veneer combinations personalizing your Vox conference table has never been easier. Four examples are shown that can be easily included in any of our standard conference tables. Simply specify the option you prefer and Nienkämper’s customer service department (call 1-800-668-9318) can provide you with a quotation based on the model of table selected. They will also be happy to help you if a custom combination of veneer and finishes are required.

Option A
Flat cut, Book-matched veneer, Natural finish, 1/4" polished aluminum reveal.

Option B
Flat cut, Book-matched veneer, Natural finish edge, stained centre, 1/4" polished aluminum reveal.

Option C
Flat cut, Book-matched veneer (veneer pattern as shown), stained edge, natural finish centre, 1/4" polished aluminum reveal.

Option D
Rift cut, Book-matched veneer, Natural finish edge, stained centre, 1/4" polished aluminum reveal.

BASE OPTIONS – VOX® CONFERENCE TABLES

Vox® Duo Base

The Duo, Tri and Quad base provide maximum capacity for storing cabling inside the leg. Available in a range of veneers and stains (page 8) anodized finishes (page 12).

Vox® Taper Base

The very thin profile of the Taper base design is ideal for maximizing space under a table. Available in polished aluminum or silver metallic paint – Select by model number.

Vox® T-Leg Base

The vertical section of this base has a channel that will accommodate excess cable and allow the routing of cable to and from the floor. Available in anodized or polished aluminum – Select by model number.

Vox® Drum Base

Available in 2 styles, Half Drum (as shown) and Full, this base offers ample space for tables that have large cabling and power requirements. The wiring and power cavity is accessed easily by removing the straight panel in the case of the Half drum style or by removing a section of the base itself for Full bases. Select by model number.

BASE OPTIONS – VOX® CONFERENCE TABLES

Vox® Access Base

These bases provide maximum capacity for storing cabling inside the leg, while concealing core drills and floor mounted receptacles. Available with or without aluminum trim – Select by model number.

Vox® Tower Base

A variation on shape, these bases provide maximum capacity for storing cabling inside the leg, while concealing core drills and floor mounted receptacles – Select by model number.

Vox® LCS Base

The LCS effortlessly transitions from sitting to standing height at the push of a button. Cabling is concealed within the Neather wrapped base. Also available as a fixed height. – Select by model number.

Eight Base Designs

All Vox conference tables have an option of Eight distinct base designs that offer both aesthetic and functional benefits. Each base design is listed for most top shapes with options and choices for base finishes. All base options are listed by model number.

To help in selecting a base design pages 15-23 illustrate each base and its features in detail. Pages 17-23 describe how each base accommodates wiring.

SPECIFICATION CHECKLIST

Use this Specification Checklist to help build your Vox Conference Table. Fill in each blank space, and mark off each option that applies to your needs. To assist you in building your order contact your local sales representative or call Nienkämper Customer Service at 800.668.9318. To find the sales representatives in your area or visit our website at www.nienkamper.com.

Description

The combination of height-adjustable project table and independent wing elements provides a highly flexible conferencing solution.

The project table (56"L x 30"D x 26 1/2" - 44"H) provides users with the option of addressing or presenting to the meeting while seated or standing.

By rotating the individual exterior wing elements, the layout of the meeting can be completely altered to suit the intent.

The optional aluminum pencil stop adds a subtle detail along the length of the wing elements. Partial wood modesty panels are standard.

T-bases are equipped with removable panels to facilitate wiring from the floor to Vox Forum options.

TERMS AND CONDITIONS OF SALE

PRICES

All prices are list prices, freight included, blanket-wrapped, dock delivered, from the manufacturing source to any location in the contiguous United States.

Brokerage is paid by Nienkämper for product shipped to the United States.

Due to existing conditions in regard to cost of labor and materials, we reserve the right to change prices without notice.

TERMS

Net 30 days from date of invoice to accredited buyers. Two per cent (2%) interest charged monthly on overdue accounts. Deposit of 50% is required with order. Terms will be established upon credit evaluation. Due to delays in processing references, first orders may be treated as C.B.D. orders.

ORDER CONFIRMATION

Orders are accepted upon issuance of our order confirmation and are subject to the terms set forth therein; notwithstanding any variance from the terms of the buyer's order form.

Nienkämper is not liable for any delay or failure to deliver caused by labor or transportation difficulties, accidents, acts of God, failure of sources of supply, or other causes beyond our control, and changes will affect the delivery date.

CHANGE OF ORDERS OR CANCELLATIONS

Changes or cancellations are subject to our ability to conform. A charge will be levied against cancelled or changed orders based on costs already incurred by Nienkämper. All changes must be in writing and submitted on a revised purchase order. Changes will affect the delivery date.

STORAGE

If goods cannot be accepted when ready, we may transfer them to storage (which is to be deemed as delivery for invoice purposes). The customer accepts risks and will be charged at prevailing rates.

FREIGHT

Prices include freight charges, blanket-wrapped, dock delivered, from the manufacturing source to any location in the contiguous United States. Packing and/or crating are available, if required, upcharges apply.

CLAIMS

All furniture is given to the carrier and signed for in good condition. It is the responsibility of the receiver to sign for the goods in the presence of the carrier and note the condition in which they are received. Freight claims should be filed with the carrier.

WARRANTY

There are no express or implied warranties, conditions and obligations of the manufacturer, whether statutory or otherwise that extend beyond the description on the face hereof. Our furniture is made to the highest standard and is warranted free from defects of material and workmanship for five years from the date of delivery. During the warranty period we will repair or replace such merchandise as shall prove to be defective, during normal usage in accordance with manufacturer's specifications. The manufacturer shall not be liable for defect wholly attributable to normal manufacturing process. Replacement or repair of the Product shall be the sole remedy of the Customer, and the manufacturer shall not be liable for any direct, indirect, incidental, or consequential loss or damage suffered by the Customer by reason of any defect in workmanship or manufacture of the Product or inability to use the Product. Moreover, this warranty does not cover accidental damage, abuse, alteration, ordinary wear and tear of Goods, negligence and misuse nor variations over which we have no control such as heat or humidity or damage to which the Goods are connected that is not attributable to the failure of the goods themselves. This warranty is null and void when the product is installed with hardware other than that supplied and/or when installed differently than recommended in the installation guide. Modification to the product or hardware may result in failure of the product and cause damage and/or injury.

WOOD FINISHES

Nienkämper offers a wide variety of standard light finishes on cherry, mahogany and figured anagré wood veneers, and a clear natural finish on figured anagré, figured sycamore, maple, bird's eye maple and curly maple.

Light finishes do not mask the grain and other characteristics of each wood species. It is important to understand that pieces of the same type of wood will not look identical when a light finish is used. The appearance of the finish will also depend on the natural color of the veneer. Cherry darkens over time as the wood ages. Pin knots and gum pockets are inherent traits.

Wood is a naturally variable raw material; its variances are not within the furniture manufacturer's control and are therefore not considered defects under this warranty.
