Model Number	List Price	Product Description
<b>WIRE MANAGEMENT "U" CLIPS</b>		
55020	115	<p>All Vox tables ordered with Forums ship with a sufficient quantity of "U" clips for extensive cable requirements.</p> <p>You can purchase additional sets of 10. These are extremely helpful for wire management and easy to use, simply compress and expand into place.</p> <p>Vox "U" Clips are:</p> <ul style="list-style-type: none"> <li>• Fitted on any side of a Vox table rail.</li> <li>• Adjustable along the entire rail.</li> <li>• Made of gray ABS.</li> </ul>
		
10 pieces		
<b>WIRE MANAGEMENT STRIPS</b>		
55021	150	<p>All Vox tables ordered with Forums ship with one 12" piece of adhesive, low profile, wire management strip per Forum.</p> <p>These can be applied to the underside of the top for light to medium quantities of cabling. You can purchase additional sets of 4.</p> <ul style="list-style-type: none"> <li>• 12" length.</li> <li>• Made of black extruded plastic.</li> </ul>
		
4 pieces		
<b>WIRE MANAGEMENT WHEELS</b>		
55022	100	<p>This is an alternative solution for storing cables to the underside of the table.</p> <p>This soft plastic wire management wheel wraps cords around it, snug cords into one of three wire notches.</p> <ul style="list-style-type: none"> <li>• Size: 4" dia x 1-17/32" H</li> <li>• Available in black.</li> </ul>
		
2 pieces		

Model Number	List Price	Product Description
HIGH PERFORMANCE SURGE PROTECTOR	55023	<p>When utilizing multiple Vox Forums in any table top a consolidation point for power may be necessary to reduce the quantity of power cables to the floor. The following power unit/surge protector comes equipped to attach directly to the Vox table rail. It snaps anywhere along and into the rail and can easily be moved or removed.</p>

This power unit/surge protector totally integrates into the Vox system. It is high quality and provides maximum protection for all advanced and critical electronic, network, and computer applications.

- **UL listed, CSA Certified**
- 33,000 amp surge current protection
- 290 volt clamping voltage (actual)
- EM1/RFI noise reduction 60db
- Lifetime Warranty
- power distribution with 6 positions-15amp 120volt
- manual on/off switch
- power indication light-is lit when power is on
- 15 amp overload protector (can be reset when tripped), - if too much equipment is being used and too many amps are being drawn the power bar will automatically shut off
- fail-safe auto shutdown circuitry: the power will be automatically and permanently shutdown once the surge suppression has been consumed
- six foot cord length

Model Number	List Price	Product Description
<b>CABLE STORAGE</b>		
55033	370	 Cable storage elements are accessory items that can enhance the use of M & N Series Forums. These components are positioned under the table top and in front of a Forum. They accommodate quantities of cables, transformers and other items that need to be stored inside the Forum opening. Finished in a clear anodized aluminum. Cable Storage Element for M Series Forum Interior storage available 4 $\frac{3}{8}$ " H x 6" W x 12" D
55034	400	 Cable Storage Element for N Series Forum Interior storage available 4 $\frac{3}{8}$ " H x 12" W x 12" D

## NOTE:

- Cable storage elements are available on a select number of tables with Forum locations FP1, FP2, FP2C and FP2E
- Refer to the chart below for specific availability

## NOTE:

- For availability and positioning on specific table sizes, contact Customer Service at **800.668.9318**.

## GROMMETS & CABLE CONDUITS

Model Number	Color	List Price	Product Description
--------------	-------	------------	---------------------

### Vox® Expandable Cable Conduit

#### Expandable Cable Conduit for Standard Height

55024-B	Black	1,225
55024-S	Silver	1,225
55024-C	Clear	1,225

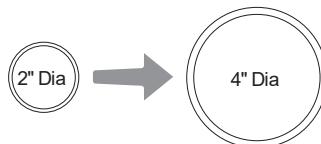

#### Expandable Cable Conduit for Standing Height

55024-BXL	Black	1,300
55024-SXL	Silver	1,300
55024-CXL	Clear	1,300

Note: Expandable Cable Conduit for height adjustable tables are 42" long.

The Vox® Expandable Cable Conduit is made of woven, flexible plastic wire. Its unique properties allow it to expand and contract to allow for different cable capacities.

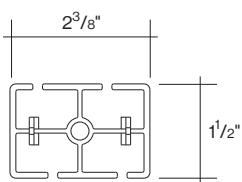

- A "U" bracket at the top attaches to the support rail.
- An 8" diameter counter weight is incorporated at the base which can be positioned to accommodate core drills or receptacle positions. Inside hole diameter is 3½".
- Cable capacity range is from two inches to four inches.
- Shipped with extra length, the Vox expandable cable conduit can easily be shortened on site if required.

### Vox® Linked Cable Conduit

55025-B	Black	1,335
55025-S	Silver	1,335
55025-C	Clear	1,335

The Vox® Linked Cable Conduit is comprised of a series of plastic elements that are divided into 4 cavities.

- As an assembly it bends in a single direction but may also be rotated about its top mount.
- A "U" bracket at the top attaches to the support rail.
- An 8" diameter counter weight is incorporated at the base which can be positioned to accommodate core drills or receptacle positions. Inside hole diameter is 3½".
- 2" long segments can be removed to desired length.
- Wire capacity: eighteen 16 gauge cables.

-----------------	--------	------------	---------------------

POWER BRIDGE FOR CABLE CONDUIT

Power Bridge shown integrated with cable conduit base.

55027-48	48	595
55027-96	96	930

This "Power Bridge for Cable Conduit" is a floor-mounted cable manager with a special cut-out at one end that allows it to be pushed in under the base of an Expandable or Linked Cable Conduit. This guarantees that cabling is totally concealed.

Made of aluminum in a clear anodized finish, it has two separate cavities that accommodate ten data-style cables, or three 16-gauge power cables in each cavity. A removable strip in the centre allows for concealment of the attachment screws. The Power Bridge can also be mounted with two-sided tape.

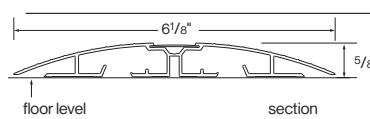

NOTE: Custom lengths can be ordered. Contact Customer Service at **800.668.9318** for pricing.

Power Bridge shown separated from cable conduit base.

POWER BRIDGE

55028-48	48	410
55028-96	96	770

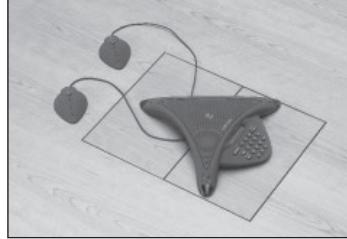

This "Power Bridge" is a floor-mounted cable manager intended to protect and cover cables that need to run across traffic areas on the floor.

Made of aluminum in a clear anodized finish, it has two separate cavities that accommodate ten data-style cables, or three 16-gauge power cables in each cavity. A removable strip in the centre allows for concealment of the attachment screws. The Power Bridge can also be mounted with two-sided tape.

NOTE: Custom lengths can be ordered. Contact Customer Service at **800.668.9318** for pricing.

# INTEGRATED STORAGE COMPARTMENT CHART

Model Number	List Price	Product Description															
<u>INTEGRATED STORAGE COMPARTMENT</u>																	
	55090 55091	1,245 1,545															
		An optional storage compartment is available for integrating directly into the top of most Vox conference tables. Two doors with an elliptical opening on the top allow the user to easily access the interior of the compartment, while providing an opening for wires. Each interior corner of the unit allows for cables to pass and electrical equipment to be connected. A soft close feature prevents doors from falling rapidly into the closed position.															
		Interior dimensions for both units 4"H x 14½"W x 18"L															
		Vox Access and Tower Base tables allow for storage compartment to be placed directly over base.															
		Refer to the chart below to identify correct model and availability for your table dimensions.															
		A limited number of Duo Base tables do not accommodate integrated storage compartments.															
		Integrated Storage not compatible with LCS Base.
