Gateway™ Plus Table The award winning Gateway™ Collection is expanding with the introduction of Gateway™ Plus; Designed to work seamlessly with other Gateway™ designs, the new series features a sculptural leg with a striking contrasting color inset, giving it a unique and distinctive aesthetic. Minimal in its design, Gateway™ Plus is both sophisticated and timeless. Gateway™ Plus offers both conference table and desk solutions and can easily be adapted for open plan working environments, touchdown spaces, meeting tables and break out areas alike.
