Metronome™/Trestle Table  
Fig40

Metronome™/Trestle table is a collection of less formal, typically standing height boardroom tables for meetings, collaborative work and use as a touchdown station. The design premise was to design a simple but beautiful product that combines the strength of a metal frame with the softness of a wooden leg. With an expressive metal foot rail, top in either wood veneer or plastic laminate, and a central wood chimney for tidy wire management, it's an elegant and practical solution for a variety of office environments.

**Low Bar:** Foot rails are typical to all standing height configurations excluding top depth of 36" - powder coat finish to match stretcher rail

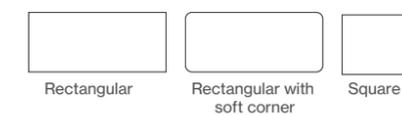

**Center (Plinth) Base:** typical to all 2-piece tops (120"+) and for tables that require large capacity wire management to floor. Lift off panel on both sides. Veneer, plastic laminate finishes.

**Wire Management:** center base, Expandable or Linked cable conduit

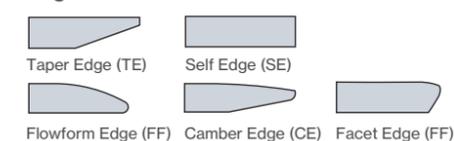

**Top Finishes:** all Standard Nienkämper finishes

**Surface Shapes**

All standard Nienkämper veneers and laminates

**Edge Details**

**Base Finish Options**

**Rail & Low Bar Finish Options**

\*Note: Solid walnut, maple and white oak bases are available in any Nienkämper stains

**Vox® Simple Dot Power**

**Dual USB chargers embedded on under side of table top**

**Connectivity**

Nienkämper offers connectivity solutions for the Metronome™/ Trestle table, our Vox® M-Series Forum, Simple Forum Collection and dual USB charger offer off table power charging solutions.

**Sizes**

Metronome™/ Trestle tables are available in standard sizes:  
Width: 36", 42", 48", 54", 60"  
Length: 48", 60", 72", 84", 96", 120", 132", 144", 156", 168", 180", 204", 216", 228", 240"

Height: 29", 38"
