

Una Round
modus ID

The Una Collection includes wall-mounted tables, media wall tables, and smaller meeting tables—ideal for compact spaces or collaborative zones—each featuring the signature Flex-Knit base to maintain visual continuity across different applications. Integrated power and data, along with concealed wire management, are thoughtfully built into each piece to support seamless connectivity while preserving the clean, modern aesthetic. Every element emphasizes flexibility, clean lines, and material innovation, creating a cohesive and forward-thinking furniture system.
