

Vox® Tambour Executive Office

design: Nienkämper

Vox® Tambour Executive Office can be customized to meet your needs with a range of sizes, storage options, and finishes that provide exceptional flexibility. Concealed hardware, soft-close cabinets and drawers, integrated LED lighting, and distinctive tambour accent panels create a clean, sophisticated aesthetic. Pullout cabinets with integrated 3/4-length mirrors offer discreet storage for personal items.

Vox® also features Eelgrass, a sustainable alternative to traditional acoustic panels. Its organic, tactile surface helps create calm, comfortable interiors while supporting environmentally responsible design.

DETAILS

Storage: Provides ample storage for files, personal items, and office essentials while maintaining a clean, streamlined appearance.

Adjustable Height: Premium components paired with a Bluetooth®-enabled programmable control system.

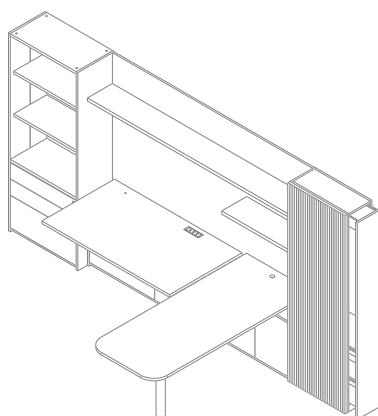

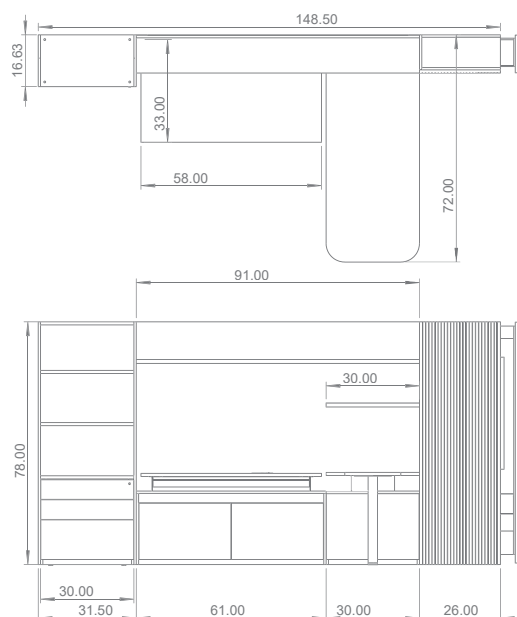

Eelgrass Tack Panel: Sustainably harvested eelgrass adds warmth, texture, and natural acoustic performance.

Closet: Configurable wardrobe storage includes hanging space, shelving, and integrated shoe storage.
