Nienkämper

Vox® Conference Table with Power Drawer keeps your table top clear and your technology tidy and discreet.

Power and connectivity have migrated from the top and into this sleek and concealed drawer. Introducing the Vox® Power Drawer, the latest addition to Vox® Connectivity.

The drawer is cleverly concealed within the table edge. Once opened the drawer reveals a fully configurable, simple connectivity device and large area for containing excess cable.

Power Drawer is available on a variety of compatible Nienkämper conference table base styles and on Rectangular, Square, and the straight sides of Racetrack and Boat-shaped tops.
