nienkämper

Aluminum Finish

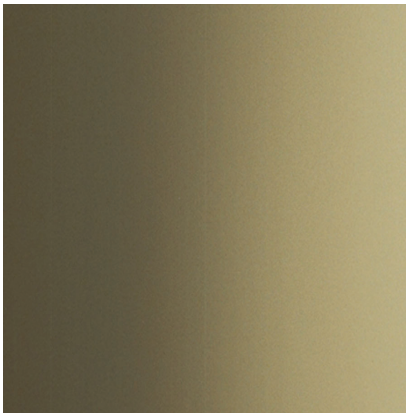

Nienkämper offers two elevated aluminum finishes that bring sophistication to its furniture. The anodized aluminum finish features a refined matte surface, achieved through an electrochemical process, and is available in five upscale colors. In contrast, the mirror-polished aluminum delivers a brilliant, chrome-like shine with a highly reflective surface, adding a bold and luxurious touch.

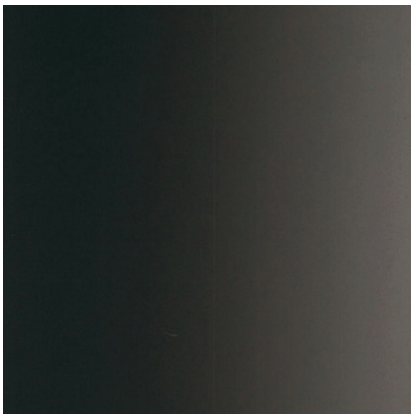

AL-01 Silver

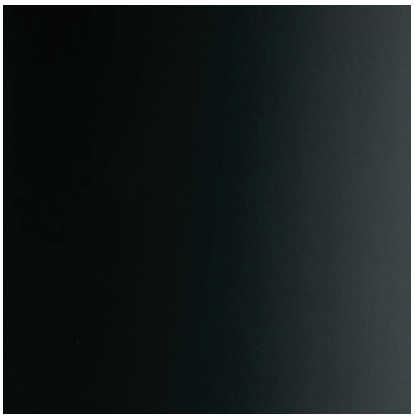

AL-02 Champagne

AL-03 Light Bronze

AL-04 Bronze

AL-06 Black

AL-07 Mirror Polish

Finish colors and textures shown are digital representations and may vary across screens, printers, and lighting conditions. To ensure complete satisfaction, we strongly recommend obtaining, a physical sample before placing your order.
