

GIORGIONE

Built to serve, the efficient gas oven

GIORGIONE

UNDER BRICK BURNERS

Burners are positioned throughout the deck to ensure **optimum heating**, and even distribution resulting in the perfect bake.

Sleek design featuring panoramic tempered glass door, full length handle and stainless steel facia.

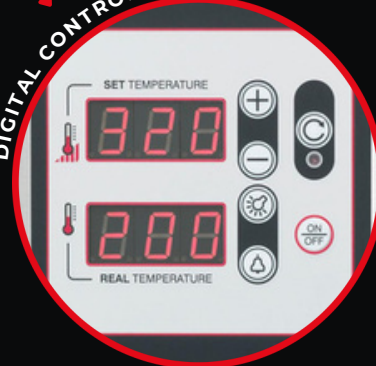

TEMPERED GLASS DOOR

CORDIERITE STONE BASE

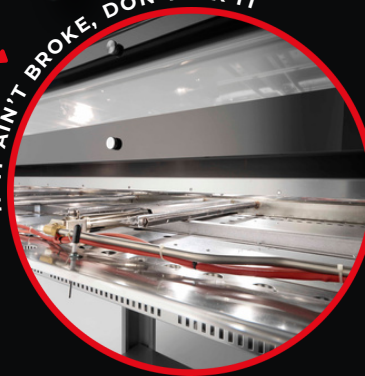

High-quality material for stable **heat retention** and a beautiful, crispy base.

DIGITAL CONTROL PANEL

User-friendly, easy to navigate electronic temperature control system.

IF IT AIN'T BROKE, DON'T FIX IT

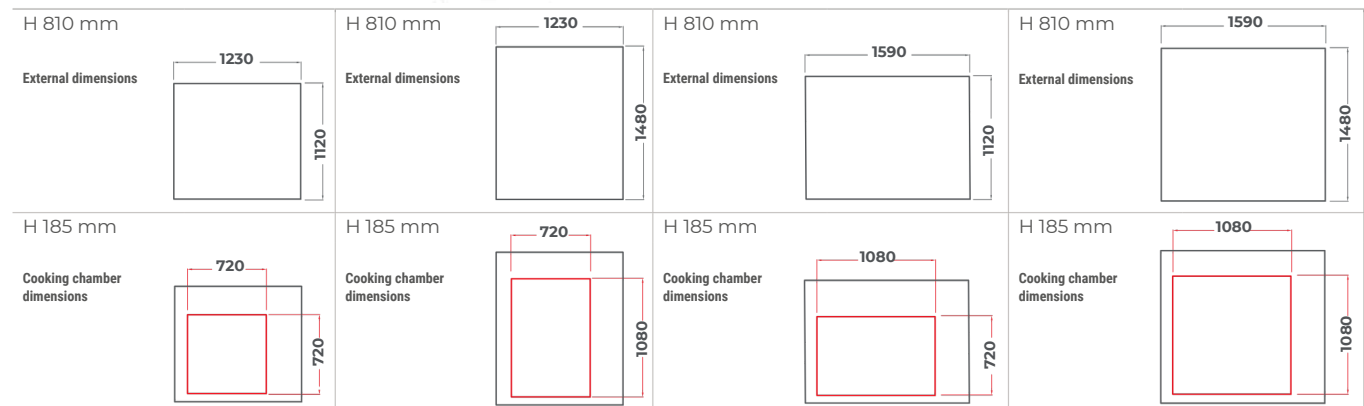

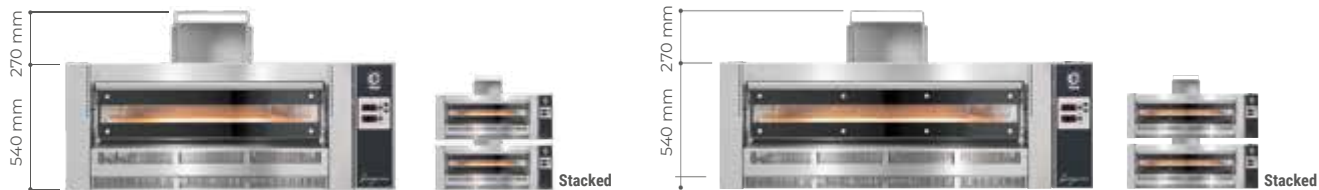

Well-designed **heat technology** that has remained since its launch in 1984 with a few modern tweaks.

Features.

Giorgione

Stackable single chamber gas oven with digital temperature control
