

Care & Prayer

CARE NEEDS

OUR MISSION:

Are you in a crisis? Do you need physical or emotional support? Our Care Ministry is designed to help those who attend Hometown Church and are in crisis. It is our desire to fulfill God's command, as it says in Galatians 6:2, to "carry each other's burdens."

CRISIS SUPPORT

We provide short-term support for members and regular attenders of Hometown Church who need help due to an illness, hospitalization, car accident, job loss, death of a family member, or similarly challenging circumstances.

AREAS OF SUPPORT

The Care Ministry volunteers can provide short-term support in these areas:

- Gifts & notes of encouragement
- Home or hospital visits
- Meals
- Transportation

For weddings & funerals, go [HERE](#). If you need long-term help, perhaps we can offer some suggestions for this. Feel free to contact us.
