

Number Explorer Missions

Find something that belongs in a pair

Touch your toes 2 times

Spot the number 2 two times when you are out

March around saying 1, 2, 1, 2!

Play Together

Make pairs. Cut out the pictures and ask your child to sort them into pairs. Then, play a memory game, placing all the pictures face down and taking turns to turn over two pictures. If they are the same, keep them, but if they don't match turn them over again. Can you find all the pairs?

For your next mission, find the episode 'Two'
