

Number Explorer Missions

Hold up 2 fingers on each hand. How many fingers can you see?

Do 4 big jumps

Find a number 4

Count how many arms and legs you have

Play Together

Go 4 spotting! When you are out and about, or even around the house, look out for 4s and things that come in 4s. You can look for the number on signs, doors, or count the wheels on cars, the legs on tables, the sides on a square or rectangle shape, the screws on a panel and lots more.

For your next mission, find the episode 'Five'

Four

This mission belongs to _____

Fact File

4 is this many:
