

Number Explorer Missions

Count the fingers on one hand!

Now count the other hand!

Can you count the toes on one foot?

What about the other foot?

Play Together

Line them up! Cut out Numberblocks One to Five. Can your little learner put them in order? Can they figure out who to move if you put them in the wrong order? Hide a Numberblock and see if they can figure out who is missing. Can they order the Numberblocks from Five down to One too?

For your next mission, find the episode 'How to Count'
