

Number Explorer Missions

Hold up 9 fingers

Make three piles of three toys. How many toys are there all together?

Hop up and down 9 times

Spot 9 cars when you are out

Play Together

Making Squares. Get some toy blocks or a big piece of graph paper. Take turns with your little learner to place or draw blocks to make a square with the same number of blocks on each side. Start with a 2-by-2 square! Count the number of blocks on the bottom, on the side, and all together. Can you get all the way to a 9-by-9 square?

For your next mission, find the episode 'Ten'

Nine

This mission belongs to

I am Nine and I feel fine!

Fact File

9 is this many:

Numberblock Nine has 9 blocks:

Nine can make a square shape like this:

Numbers to 10

Meet Nine

Nine

Print pages 1 and 2 double-sided and fold in half to make a booklet
