

Number Explorer Missions

**Find 10 toys and put them in 5 piles.
How many toys in each pile?**

**Now put them in 3 piles. How
many toys in each pile?**

**Now put them in 2 piles. How
many toys in each pile?**

Play Together

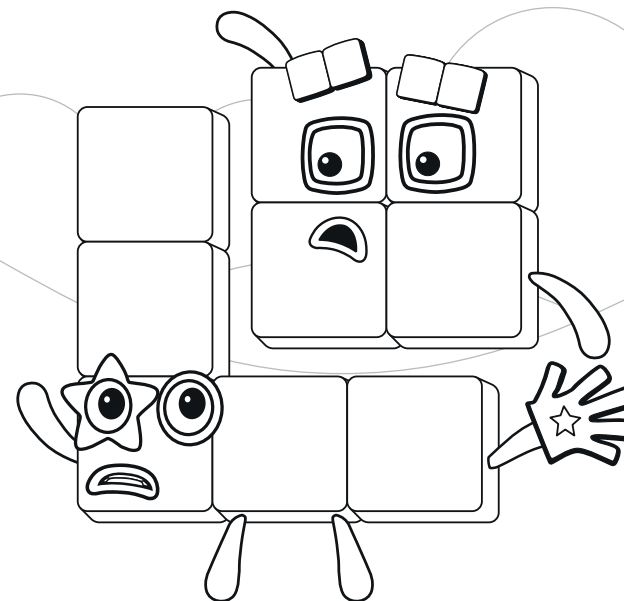

Making Nine. Draw a 3-by-3 grid on a piece of paper. Take turns with your little learner to colour in squares. Each turn, you can only colour squares that touch each other. The first person to complete the grid loses! Help your little learner count how many blocks of each colour there are when you finish.

For your next mission, find the episode 'What's the Difference?'

Hiccups

This mission belongs to _____

**Someone hiccuped! Who was it?
Can you find out?**

Numbers to 10

Composition of
numbers to 10
