

Number Explorer Missions

**Find 8 things around the house.
Try splitting the things into two groups.
How many are in each group?**

**Put all 8 things back in a pile.
Take 5 things out of it. How many are
left in the pile?**

**Try again and take out a
different number**

Play Together

Make Eight! Cut out the 4 Numberblock Eights and find two different colours to colour in with. Using a 6-sided dice, or a dice roller online, take turns rolling. When you roll a number, colour in that number of blocks on a Numberblock Eight cut-out. Count out loud as you do. Whoever didn't roll can colour in the rest of the blocks, counting as they do.
