

Number Explorer Missions

Take 13 big steps!

Try to spot the number 13 when you are out & about.

Hold up 10 fingers. How many more do you need to make 13? Ask a grown-up to lend you their fingers so you can make 13 altogether.

Try drawing Thirteen's Numberling.

Play Together

Unlucky Thirteen

Take turns with your little learner to roll a 6-sided dice. Each time you roll, write down the number and draw that many dots or blocks. The first player to draw 13 or more loses the game!

For your next mission, find the episode 'Fourteen'
