

Number Explorer Missions

Do 14 big jumps

Draw Numberblock Fourteen as Lucky Double Seven

Spot a total of 14 wheels when you are out. This could be on cars, bikes, scooters and skateboards, or any thing else with wheels!

Look for Fourteen's Numberling on a sign or a door

Play Together

Seeing Doubles! Challenge your little learner to help you find doubles. Show them a small number of objects (socks, blocks, pasta shapes) and ask them to find the same amount. How many are there altogether?

For your next mission, find the episode 'Fifteen'

Fourteen

This mission belongs to

14

I am
Fourteen.
Extreme!

Fact File

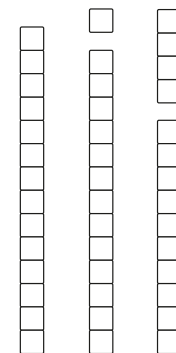

14 is this many:

Fourteen has 14 blocks:

Fourteen is
14 Ones,
