

# Number Explorer Missions

Show the Numberblocks your special counting skills. Count all the way to 20!

Make two tall towers of 10 soft things.

Look for these Numberlings when you're out exploring: 16, 17, 18, 19, 20.  
Which did you spot first?

## Play Together

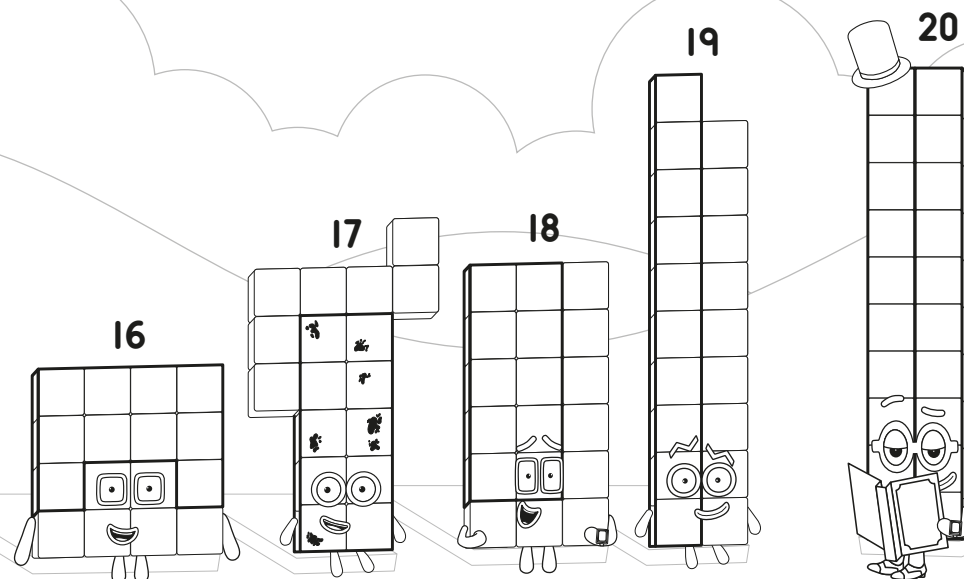

Numberblings Bingo! Take the Numberlings bingo sheet on your next trip out and see if you can tick off all of the Numberlings. Look on shop signs, road names, car registration plates and food packaging and see if you can spot all 20.

For your next mission, find the episode 'Flights of Fancy'
