

# Number Explorer Missions

**Look for 29's Numberling at home or when you are out. Can you find it anywhere?**

**Design a club badge for numbers that end in 2. What will you call the club?**

**Choose a club badge. What numbers can you think of that belong in this club? Can you spot them when you're out and about?**

**Try making a Fives club. Which numbers could join? Can you draw what the Fives club badge would look like?**

## Play Together

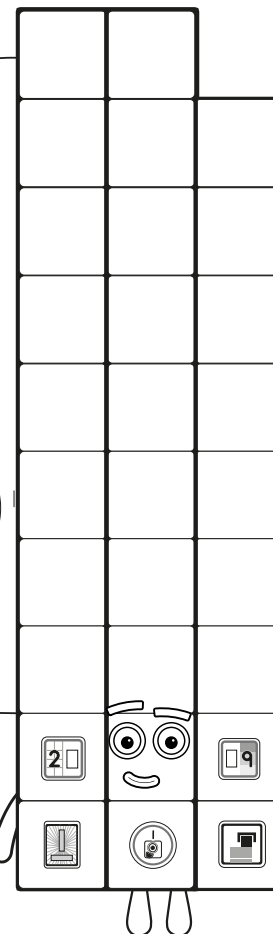

**Club Badges.** Cut out your club badges and use them to help answer the questions. You could also use your badges to sort other numbers into clubs. Keep an eye out!
