

Number Explorer Missions

Can you remember all the heroes in the Super Eights squad? Look through your booklet to name them all!

Call 'Octo-alert' when you're doing things today! Is getting dressed a level 1 alert? Pretend to be Octoblock when popping your clothes on. Perhaps brushing your teeth is a level 2? Pretend to be Sixteen as you brush, brush, brush!

Place 8 items, like pebbles or coins, in front of you. Add another 8 to make 16. Can you keep adding 8 things until you get to 80?
