

Number Explorer Missions

Create your own hopscotch from 1 to 10 on the pavement outside. Try jumping on just the odd numbers, then just the even numbers. Can you jump in threes too? 3, 6, 9...

Make your own stepping stones using cushions. Can you count as you move across them without touching the floor?

Scan the QR code to make your own slime and stepping stones. Try the challenges from your booklet with this make! Oh so slimy!

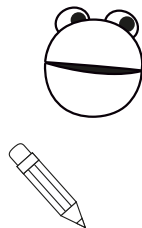

Play Together

Use chalk to draw your own stepping stones on the pavement outside. Number them from 1 to 10. Can your grown-up set you adding and taking away challenges, like 'What's 2 plus 3?' You then have to jump 1, 2 stepping stones, to get to 2. Then jump 1, 2, 3 more stepping stones to get to 5. How about 10 minus 4? Start on 10, then jump back 1, 2, 3, 4 stepping stones to get to 6.

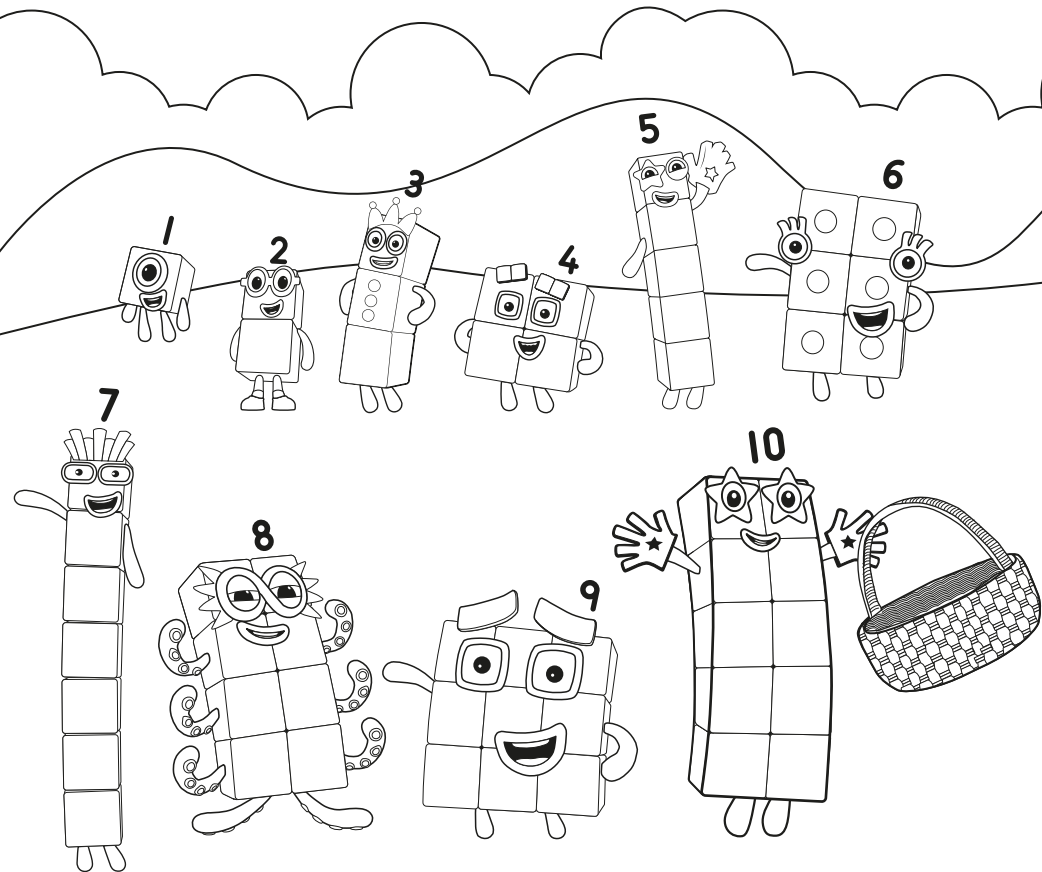

For your next mission, find the episode 'Ice and Dice'.

Leap Blob

This counting mission belongs to...

Count all the Numberblocks from One to Ten.
Can you count down from Ten to One too?

Up to 10

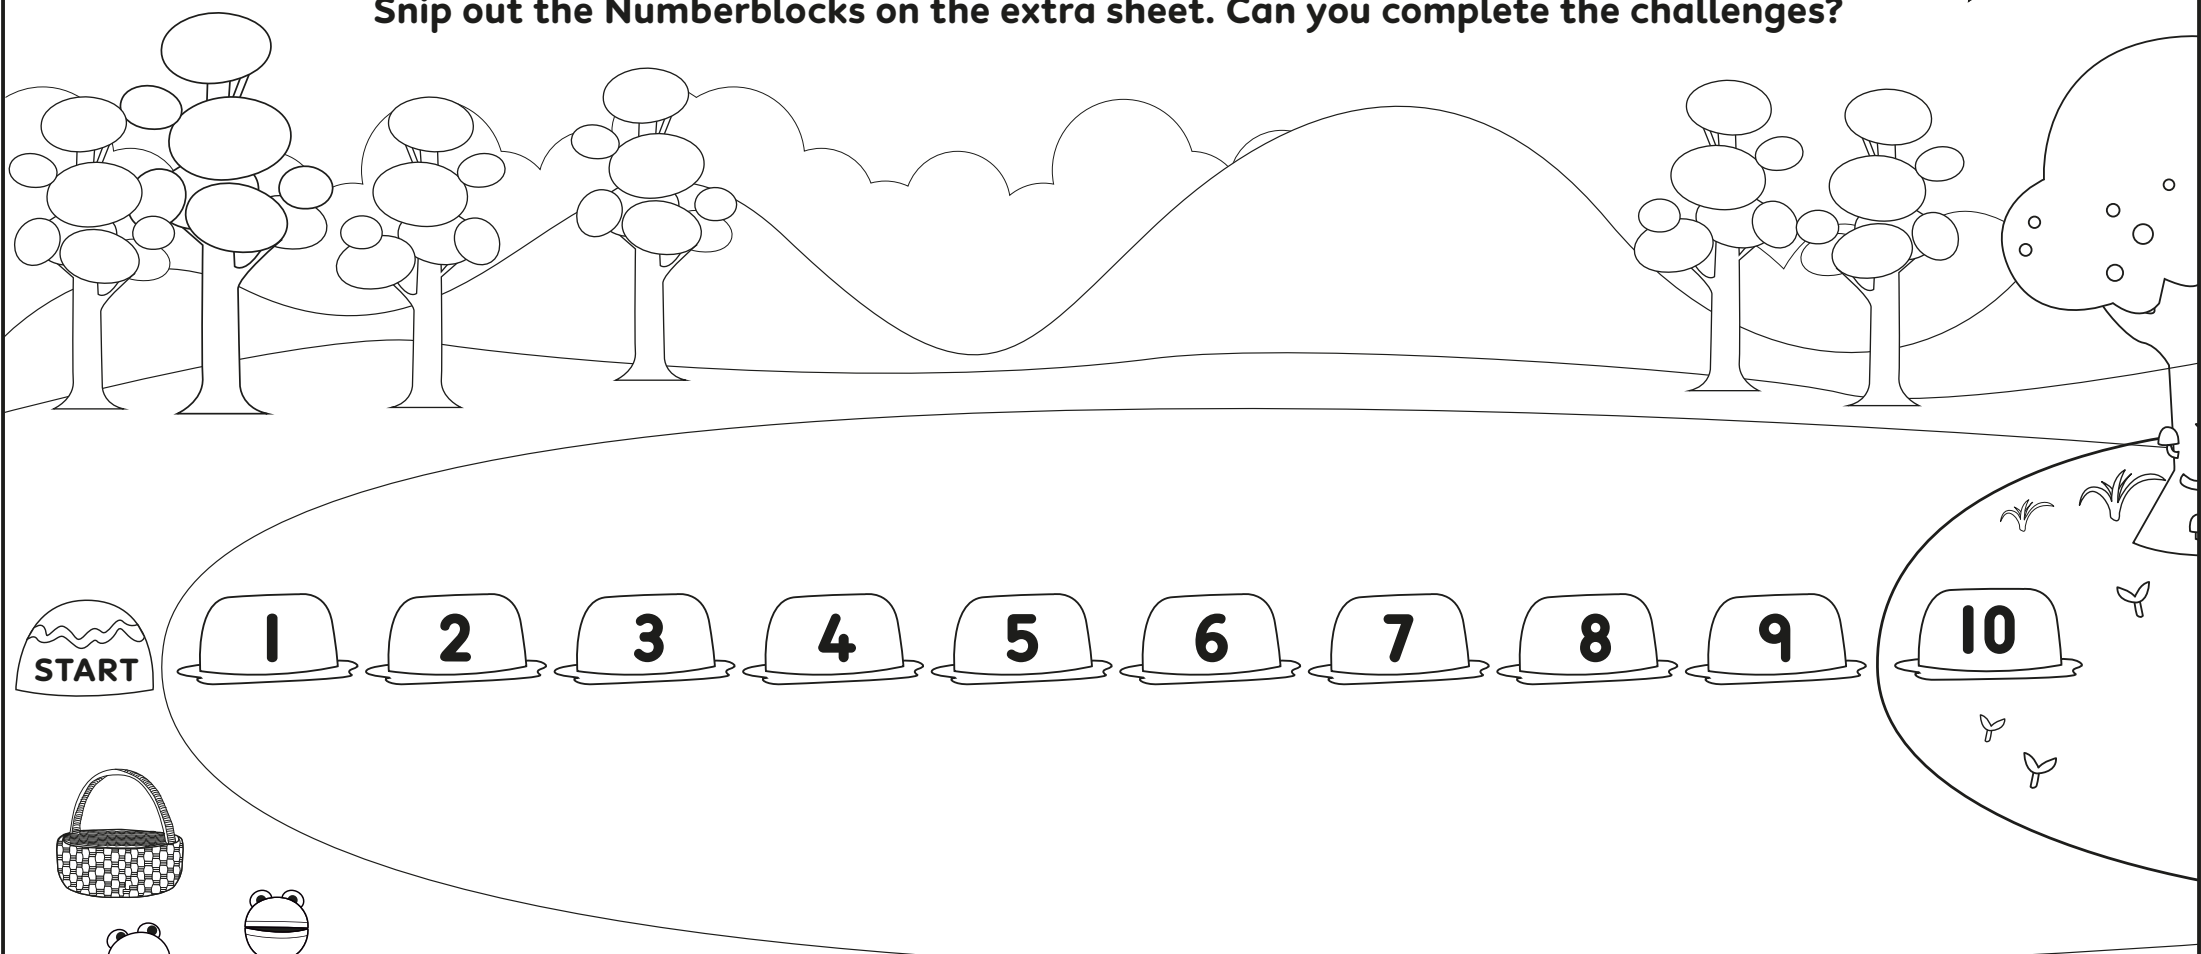

Counting in Order

Leap Blob

A Numberblock picnic!

Snip out the Numberblocks on the extra sheet. Can you complete the challenges?

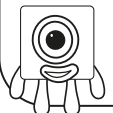

Colour a lovely picnic spot for the Numberblocks.

Can you get the Numberblocks across?
Try these challenges:

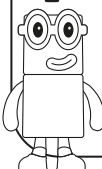

1

Jump Numberblock One across. Make sure she touches each stepping stone as she goes, counting from 1 to 10.

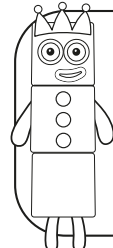

2

Try jumping Numberblock Two across. He can jump 2 stones at a time, like this: 2, 4, 6, 8, 10, let's go!

3

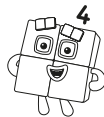

Numberblock Three can jump 3 stones at a time, 3, 6, 9... Swap Numberblock Three for 3 Ones and jump them onto the last stepping stone.

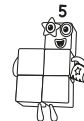

Try these challenges on the stepping stones, too.

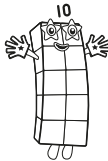

Numberblock Four can jump 4 stones at a time. 4, 8... Swap Four for 2 Twos to jump the last 2 stones.

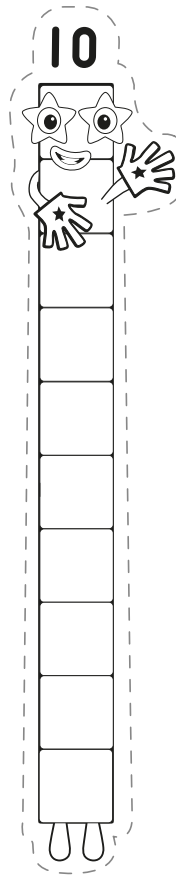

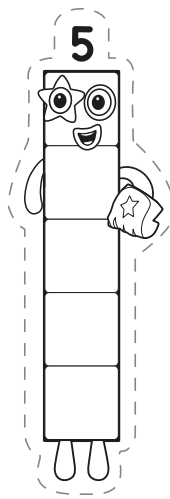

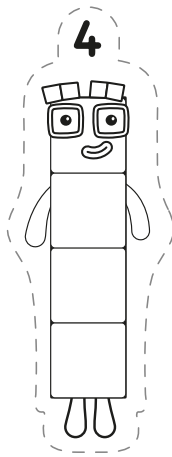

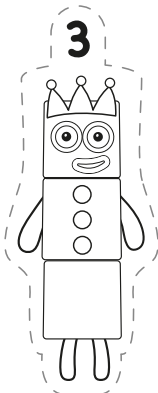

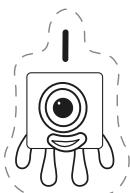

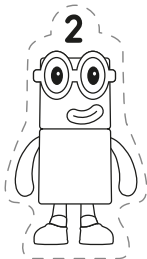

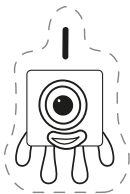

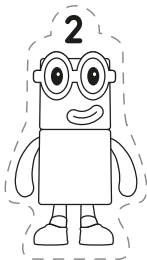

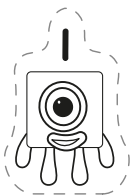

Numberblock Five can jump to stone 5, then 10. Easy!

Wow! Numberblock Ten can jump all the way.

Cut out the Numberblocks to jump on the stepping stones to reach the island.

Add some Numberblobs to your scene!

Now colour some lovely food for the Numberblocks to enjoy!
