

# Alphablocks Explorer

Look at the Word Magic in your booklet. Can you sound out and blend the words?

Try the actions for the Word Magic. Stamp your feet, sprint really fast, spring around the room and then pretend to lift something heavy, so you're strong!

Go on an s spotting walk! Look out for words on signs and adverts that start with s. Ask your grown-up to help you read them. How many words can you find that start with s?

Well done!
