It can be exciting to make things go all at once. But it's important to ask your friends if they're ready first. Before doing any of the activities in this booklet, check with Little Frog, your friends and your grown-up that they are ready to go!

Play a hopping game with a friend or your grown-up. Get Go, Hop and Stop to hold hands to start you off. Who can hop the furthest?

Draw hopscotch on the pavement outside. Can you jump along with two feet? Now try hopping on one leg, then the other! Make it more challenging by throwing an object to one of the squares to pick up!

Well done!
