7 7 I wonder... 22

Do you remember which Thinking Magic order worked? Let's think it through, then tick your answer.

Who are you and what can you do? Take Go and Stop out on a walk. Say 'go', something you can do like 'walk', then 'stop'! What else?

Sing the first verse of Old McDonald Had a Farm. Use your snip-outs Go, Moo and Stop for every moo!

What do you think would have happened if Go, Stop and Do Block Moo hadn't helped Cow remember what to do, and when to do it? Tell your grown-up.

For your next mission, find the episode 'Cluck'

Wonder play!

Play a fun
Thinking Magic
game. Use Go,
Moo and Stop
to get your
grown-up to moo.

Your grown-up can only 'moo' if you have said 'go' first.

If you say 'moo' without 'go', and they 'moo', switch.

Your grown-up will have to moo until they run out of breath, or you tell them to stop! What happens if you don't say 'stop'?
