

?? I wonder... ??

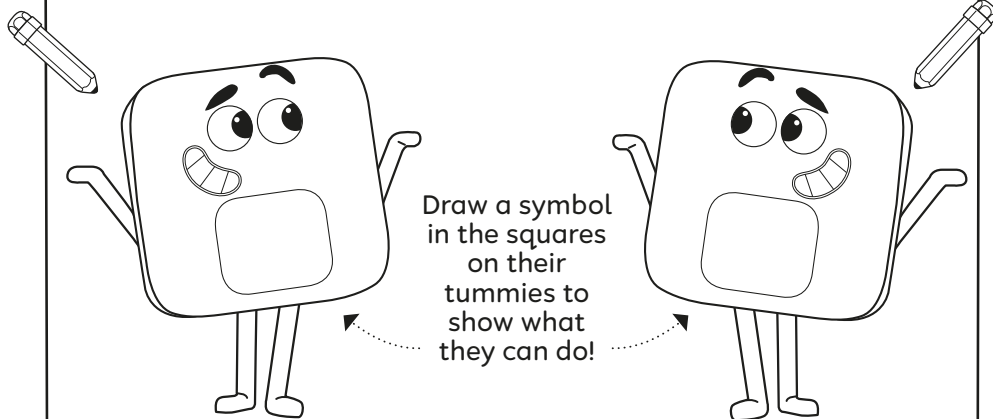

When doing more than one action, it can be important to get the order right. Can you remember what Cow and Chicken did wrong? How did they fix it?

Find your barn, Cow, Chicken, Go, Stop and Do Blocks from your extra sheet. Can you act out what happens in the episode? Can you remember how to make the lift go down? How about up?

Tell Go and Stop what you can do! Start with saying what your name is, then say two things you can do, like dance and sing, or run and jump. Can you draw your very own Do Blocks? Try below!

You can give them other features too! For example, Moo has horns and spots.

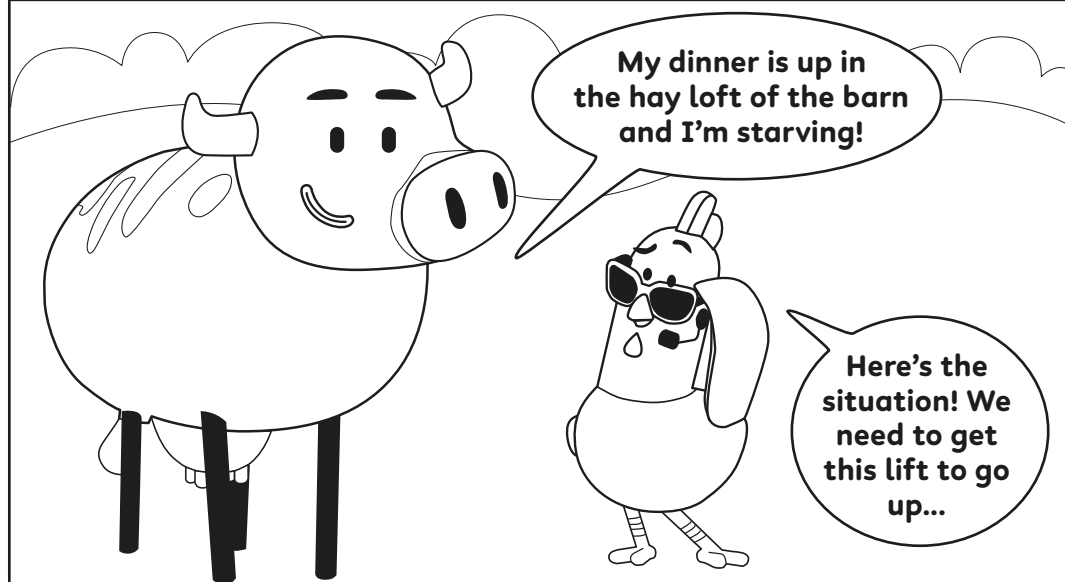

Well done!

Can you find your extra sheet and snip out all the bits you need?

Mooving up and down!

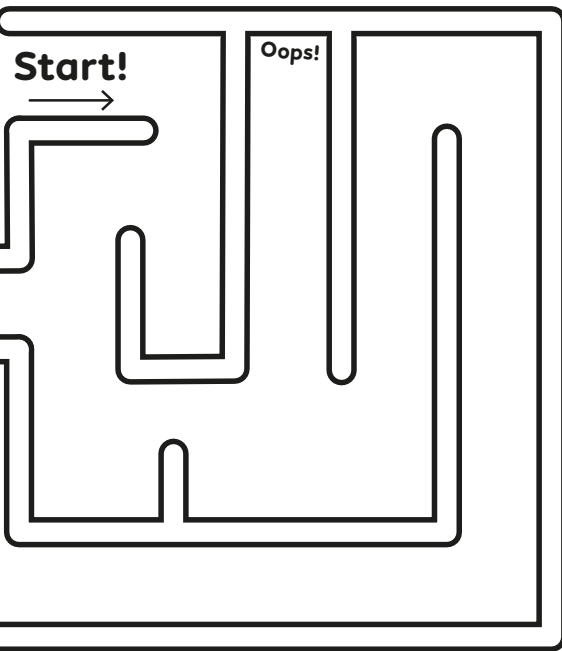

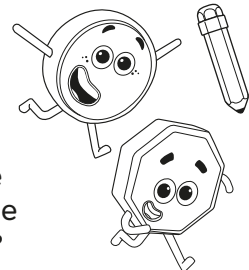

To move the lift, we need 2 sounds.

Here is a sign that tells us what sounds to use. What do you notice?

That's right! The sign with the sounds is broken. Can you follow the maze to find the missing piece?

Snip out this piece from your extra sheet, and stick to the sign above! ↑
