

? ? I wonder... ? ?

To draw a picture, you need 3 steps. They are: Put paper down, take lid off felt tip and draw with felt tip. What would happen if you did it in this order?

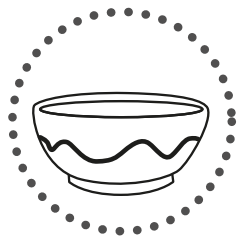

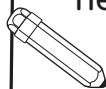

1. Put paper down.
2. Draw with your felt tip.
3. Take the lid off felt tip.

Can you make a bowl of cereal too? Think about the order and use Go, the Do Blocks and Stop to help you.

Big Bear wanted to go first, because she is the biggest. Little Bear wanted to go first, because he is the littlest. What were they forgetting?

They needed something to pour the milk and cereal into first!

Bears don't eat cereal, they eat porridge!

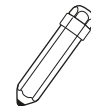

Well done!
