

?? I wonder.. ??

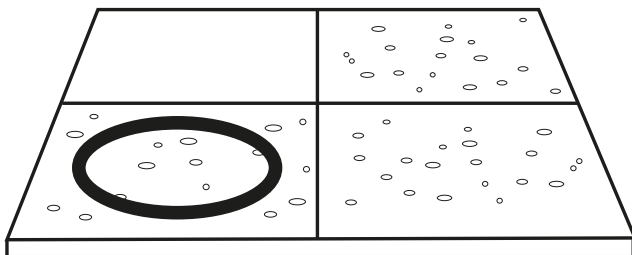

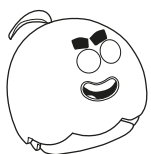

Create your own dancefloor using squares of colourful paper! Can you use Go, The Moving Crew and Stop to move across each tile?

Pop on your favourite music and have fun dancing! Can you make your own dance routine by hopping forwards, left, right and backwards? Try any combination you like!

To light up the dancefloor, Arty had to hop forwards, right, backwards and left. Can you think of another way to light up every tile?

Answer: He could go the opposite way. Right, forwards, left and backwards.

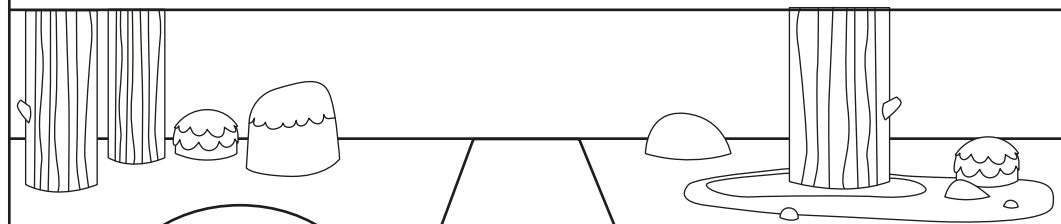

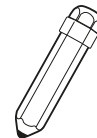

Well done!

The Moving Crew

When friends say what they can do, a Do Block appears. Let's meet this helpful crew.

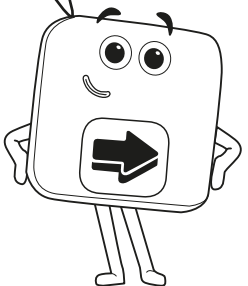

My name is Forward, so you know! I'm headed this way, watch me go!

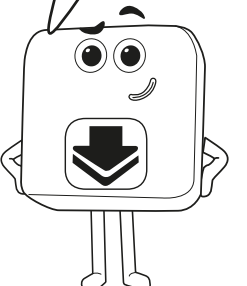

My name's Left...

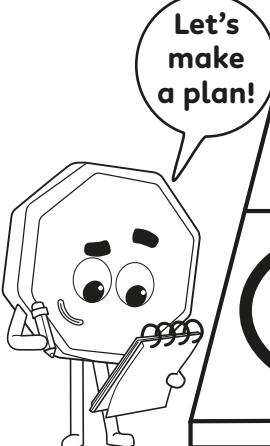

...my name's Right! Our moves will take use out of sight!

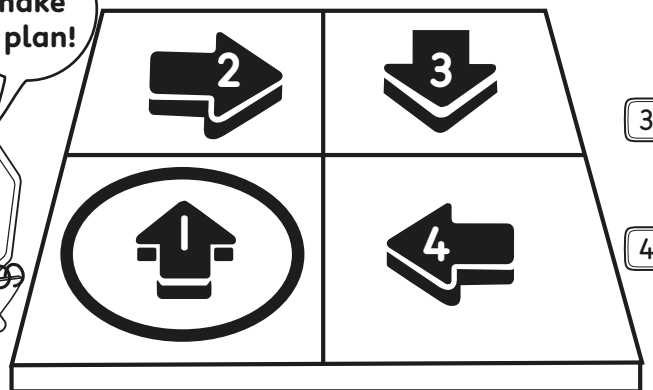

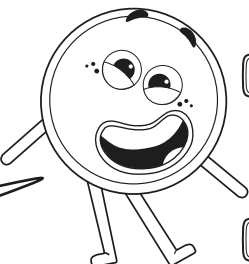

Backwards here! How do you do? Together we're The Moving Crew!

To light up the entire dancefloor, Arty has to jump from tile to tile.

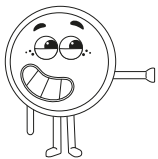

Arty's start position is in the circle.

- 1 He has to hop forward to the next tile.
- 2 To reach the next tile, Arty has to hop right.
- 3 Arty now has to hop backwards.
- 4 Arty has to hop left to get back to the start.
