

Colour Explorer Missions

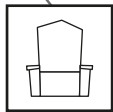

Snip out strips of colourful paper. Make a loop and glue together. Add more loops until you have a long paper chain! It's a lovely tree decoration!

On some brown craft paper, paint, doodle and collage to create your own colourful stars. Try different painting techniques like printing with a potato or your fingers, or using a sponge for texture.

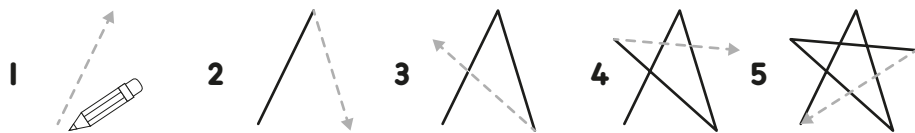

Scan the code to make your own Christmas wreath!

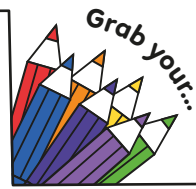

Make your own cute Colourblocks baubles using the extra sheet!

Draw your own stars. Here's how!

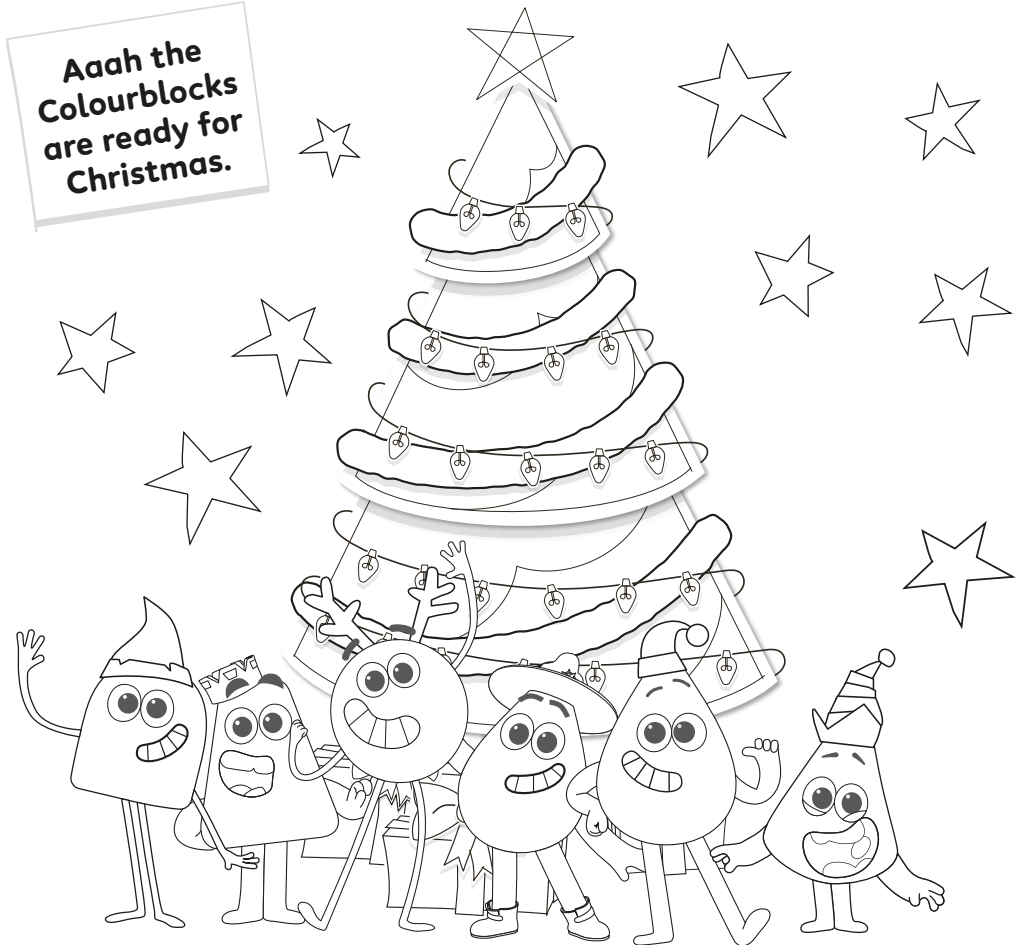

It's a Colourful Christmas

Perfect presents

Play a fun gift decorating game!

How to play:

1. Find 2 dice and pick who will be player 1 and who will be player 2.
2. Roll both dice, use one to choose a shape to draw, and the second to pick a colour.
3. Keep going until you've had 6 goes each. Who has done more shapes or colours?
4. Play again by drawing more presents on blank paper.
