

Number Explorer Missions

Count the fingers on one hand

Shout all the numbers from 1 to 5!

Tap your foot 5 times

Do 5 star jumps!

Play Together

Fun with Five. Draw around your hands and feet, then cut them out and count the fingers or toes! Try folding down a finger (or two) - how many are left? What if you fold down 4 toes? Can you explore all the ways to make five? Pin the finished hand or foot shapes to the walls, use them to make a trail to follow, or hang them up with string.

For your next mission, find the episode 'Three Little Pigs'
