

★ Top tip ★

It can be exciting to make things go all at once. But it's important to ask your friends if they're ready first. Before doing any of the activities in this booklet, check with Little Frog, your friends and your grown-up that they are ready to go!

?? I wonder.. ??

Grab your Go, Hop, Stop and Little Frog from your extra sheet. Can you put Go, Hop and Stop together to move Little Frog? Can you do it another time to make Little Frog hop along?

Colour if you've done it.

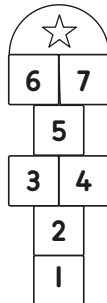

Play a hopping game with a friend or your grown-up. Get Go, Hop and Stop to hold hands to start you off. Who can hop the furthest?

Colour if you've done it.

Draw hopscotch on the pavement outside. Can you jump along with two feet? Now try hopping on one leg, then the other! Make it more challenging by throwing an object to one of the squares to pick up!

Colour if you've done it.

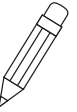

Well done!
