

? ? I wonder.. ? ?

Watch the First Things First episode. Can you tell your grown-up what went wrong in each scenario? Why could Go and Stop not leave the house? Why did they get lost in the woods? What did the friends do to fix it?

Talk with your grown-up about all the steps it takes to get ready in the morning. Here are some ideas:
Get out of bed. Get dressed. Make your bed. Brush your teeth. Brush your hair. In your family, which do you do first?

Use the sandwich snip-outs from your extra sheet. Can you put it together? Try different orders. How about the jam first, then a slice of bread? Or perhaps two pieces of bread, with jam on top? Now can you help your grown-up make some sandwiches at home?

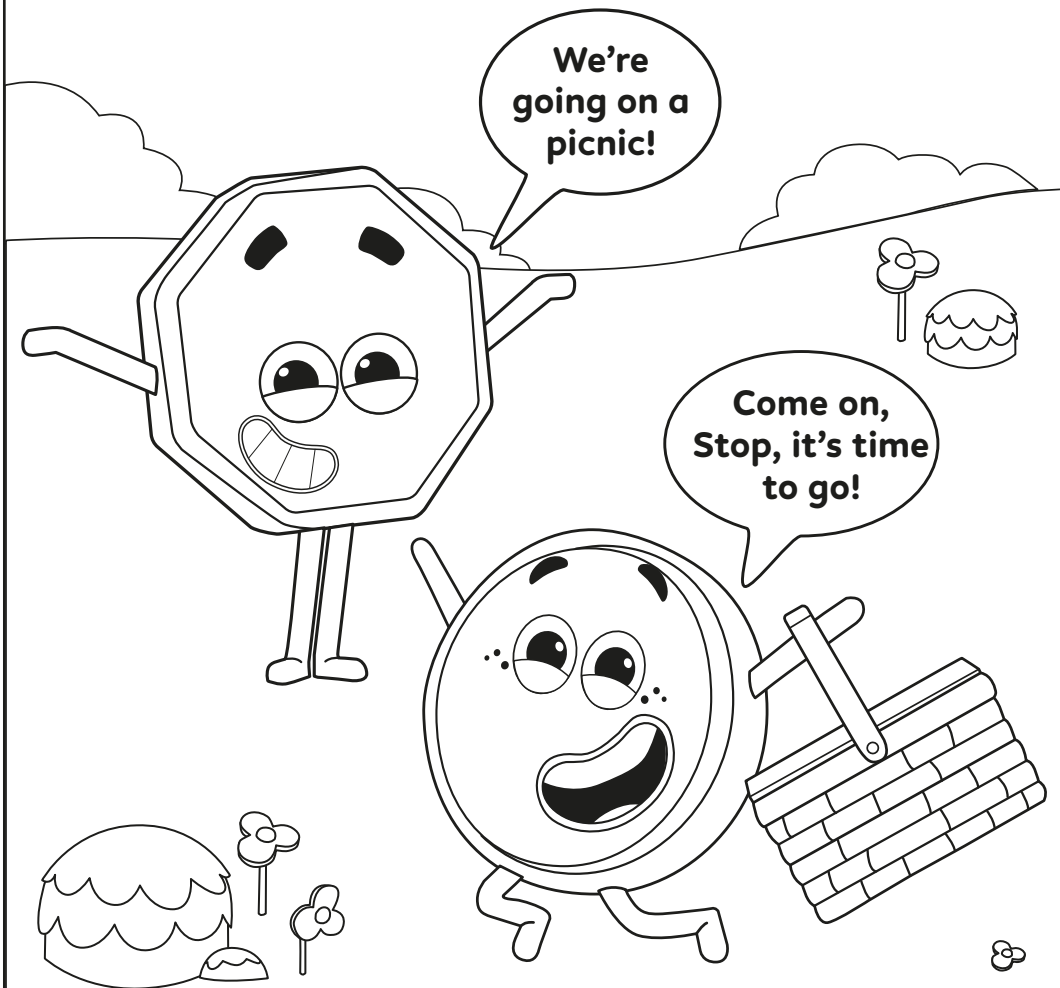

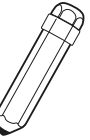

Well done!

When order doesn't matter,
there's no right way to be found!
You can wave your hands,
then clap them,
or the other way around.

Things will end up the same,
there's no best way or worst!
But when it makes a difference,
remember first things first!

First things first!

Next things next!

Last of all comes last.
Order is important
or you'll go nowhere fast!
