Have fun playing a Thinking Magic game with a friend. Choose a sound or a move, or both, then put them together in a sequence. Here are some ideas:

Can you remember why Secret Agent Chicken didn't hear your mooing? Can you remember why she didn't see you wiggling and twirling? Tell your grown-up!

What Can We Do?

What can we do?

Can you find a Do Block who can make some noise to get Secret Agent Chicken's attention?

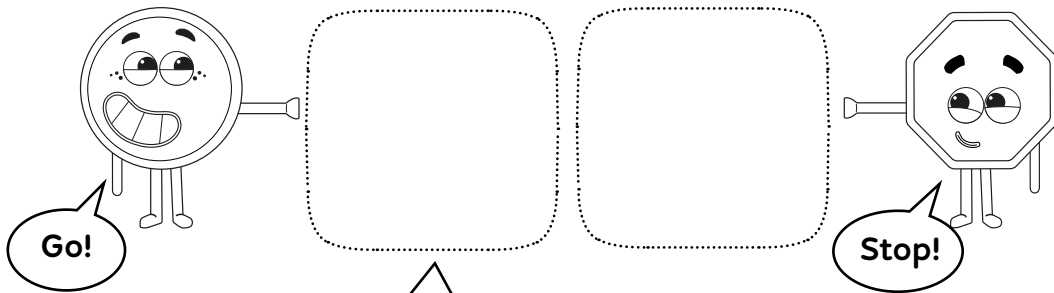

Can you copy the sound? Colour in Cow if you did.

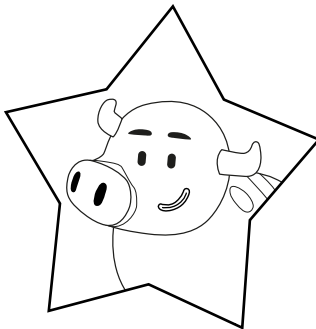

Oh no! SAC can't **hear** you because she's wearing headphones.

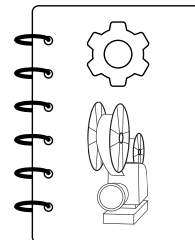

Can you find some friends who can dance to get Secret Agent Chicken's attention?

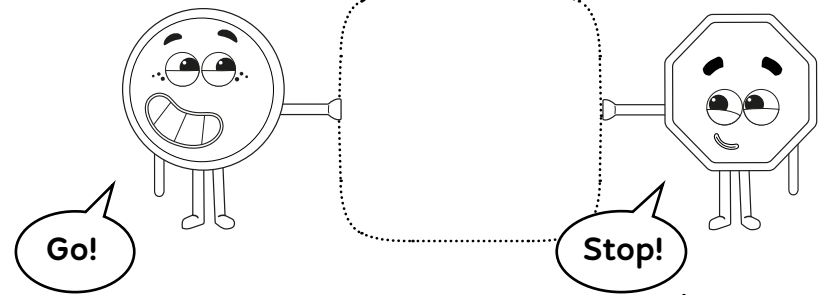

Can you copy the moves? Colour in Cow if you did.

Secret Agent Chicken can't **see** you because she's reading the manual.

Have you tried to open the door yet? Stick a Do Block that can help here!

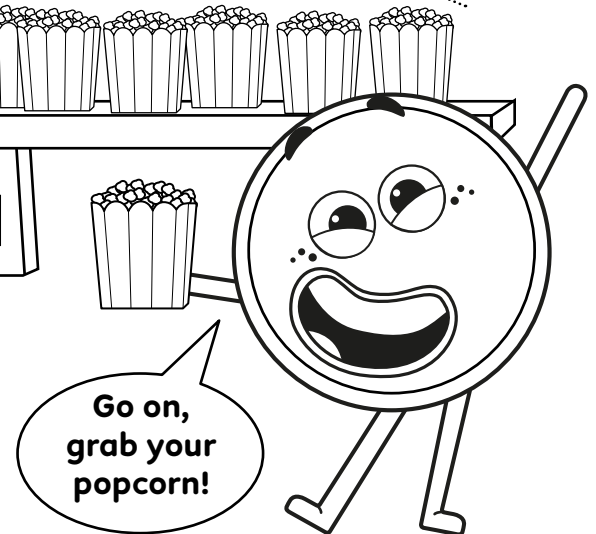

Can you copy the move? Colour in the hen house if you did.

Well done – it worked!

It's showtime!
Stick the movie projector here?
