Trying things out is fun! Can you remember what didn't work for the bears? What did they do that did work? Tell your grown-up.

Ask your grown-up to help you hunt around your home for things that could make music! What could you toot, pluck or bang? Give it a go!

Have a go at making music with a cardboard tube! Can you toot through it? What happens if you put an elastic band around it? Can you pluck it? What else can you do?

## Well done!
