

?? I wonder...??

Can you remember why Go and Stop had to come up with a new plan to help Frog cross the mud? How did they solve it? Tell your grown-up!

Snip out the friends on your extra sheet. Can you draw your own muddy river and path on some paper? Can you tell your own story?

Use cushions and blankets to make your own fun obstacle course at home. It might help you to draw it out on paper first. Ask your grown-up to get across! Hold up the snip-out Do Blocks and say the actions to help them, then swap!

Well done!
