

?? I wonder...??

What happens if you do something again and again and again... and don't stop? Cow is tired from dancing again and again. Colour in who can help?

Colour if you like, then cut out!

Find Go, Stop and Again from your extra sheet and play a game with your grown-up. Think of an action for them to do, such as jump! Hold up Go then say the action. Then decide if you're going to hold up Stop or Again. Then swap so your grown-up can say a different action.

Colour if you like, then cut out!

What things do you do again and again? How about brushing your teeth? Can you think of some other things? Tell your grown-up!

Colour if you like, then cut out!

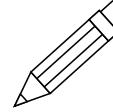

Well done!
