

Colour Explorer Missions

Can you find a red toy, a blue toy and a yellow toy?

When you are out and about can you spot shops with either a red, blue or yellow sign at the front? Also, have a look in the shop windows and see if you can spot red, blue or yellow items.

Have a look in your kitchen cupboards or fridge at home. Can you find one item that is blue, one that is red and one that is yellow? Extra explorer points if there is more than one of those colours on each item!

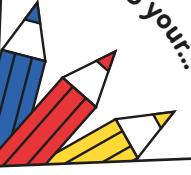

Look outside and see what colour the sky is. Is it blue or a different colour today?
