

Colour Explorer Missions

Play a silly yellow and blue bananas game. Listen carefully to your grown up. Only do an action if they say yellow bananas first. If they say blue bananas, stand very still.

When you go to the supermarket look for any fruits and vegetables that aren't the colour you'd expect them to be. Maybe some purple broccoli or orange tomatoes.

Go on a nature walk and collect leaves, twigs and stones. When you get back home use silly colours to paint or colour your objects. You can use them to make a colourful collage or a picture.

Play a colours game in the car. Look out for red cars or green cars. Who will be first to spot a pink or purple car?
