

Colour Explorer Missions

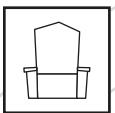

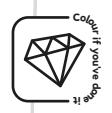

Can you remember the story? Which Colourblocks did Red meet? What did she do when she met them?

What other colourful things might Little Red Riding Hood see along the way? Birds, flowers and insects? Doodle it!

Make your own colourful party. Find some colourful food and drink to serve, like strawberries, blueberries and orange juice. Who will you invite?

Create a cute party banner for your room! Snip out large triangles, then doodle and colour them however you like. Tape them to a long piece of string and hang it up.

For your next mission, find the episode 'Pick a Partner'

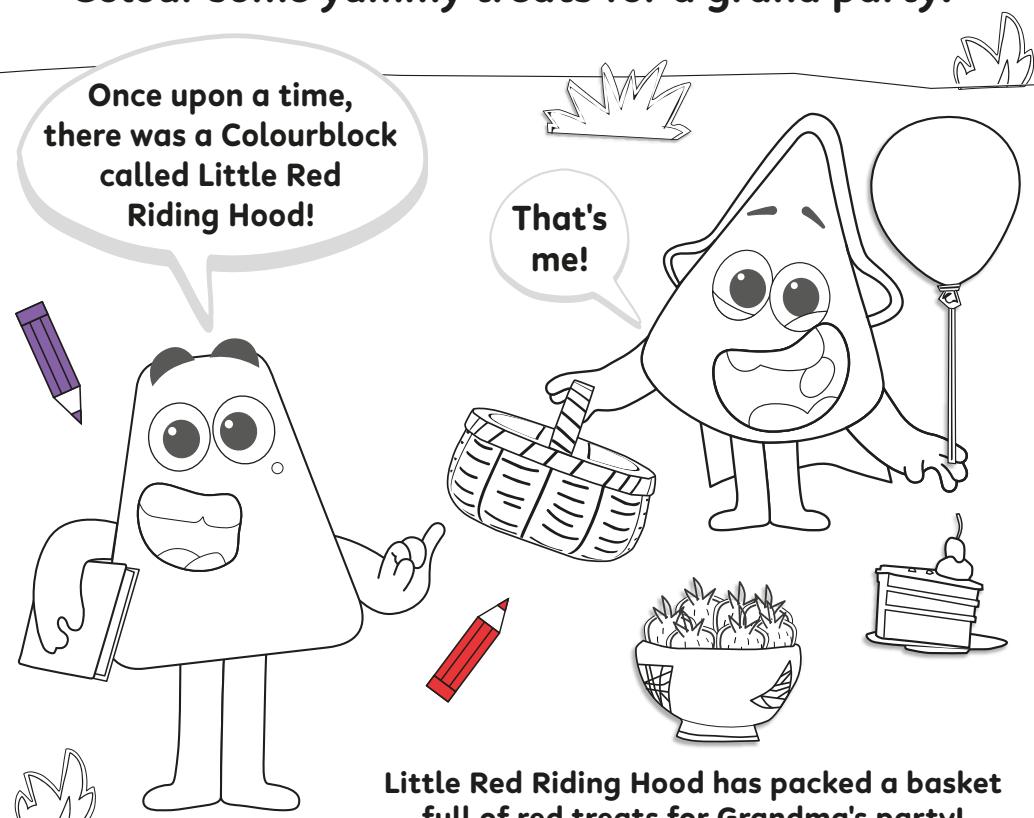

Little Red Riding Hood

This colourful adventure belongs to...

Colour some yummy treats for a grand party!

Once upon a time, there was a Colourblock called Little Red Riding Hood!

That's me!

Little Red Riding Hood has packed a basket full of red treats for Grandma's party!

Level 2

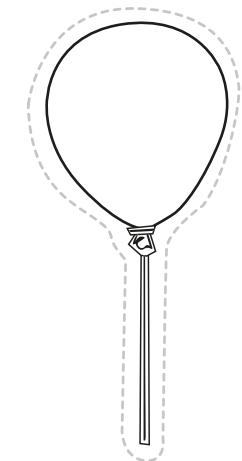

Fun with colour

Little Red Riding Hood

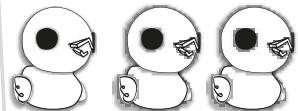

Help Little Red Riding Hood get to Grandma's house.

Colour and snip everything out to use along the trail.

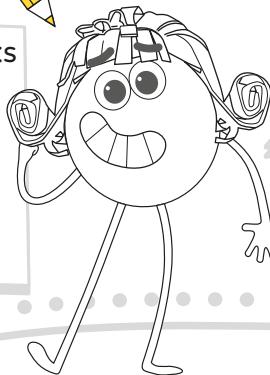

Trace the path to start your adventure!

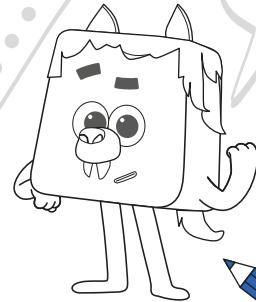

Can you give the ducks some strawberries?

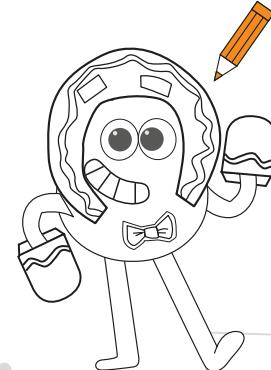

I'm Goldilocks. I accidentally ate my 3 ducks' porridge...

Huh? I'm the Big Blue Wolf!

Watch out! Use your balloon to escape the Big Bad Wolf.

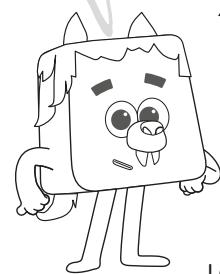

Oops! You dropped the cake.

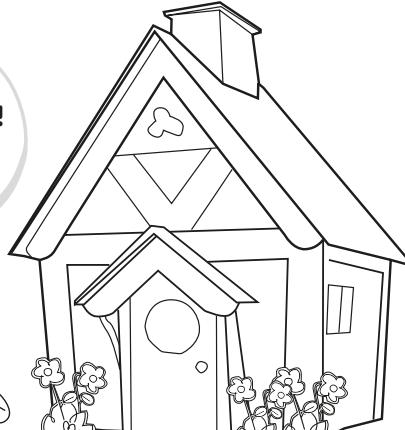

Not this way. Try again!

Finish!

Did the Big Bad Wolf eat Grandma?

No, I'm the Big Blue Wolf! I only eat blueberries.

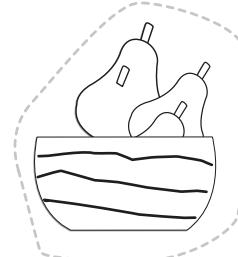

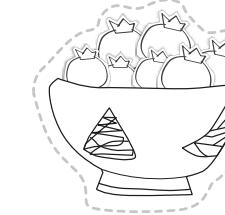

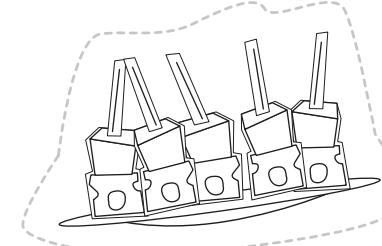

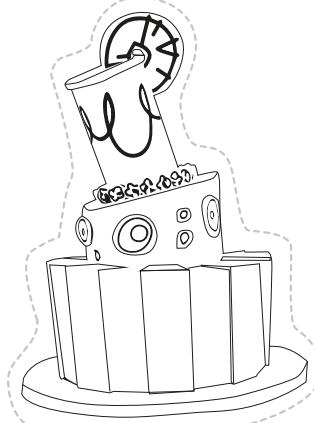

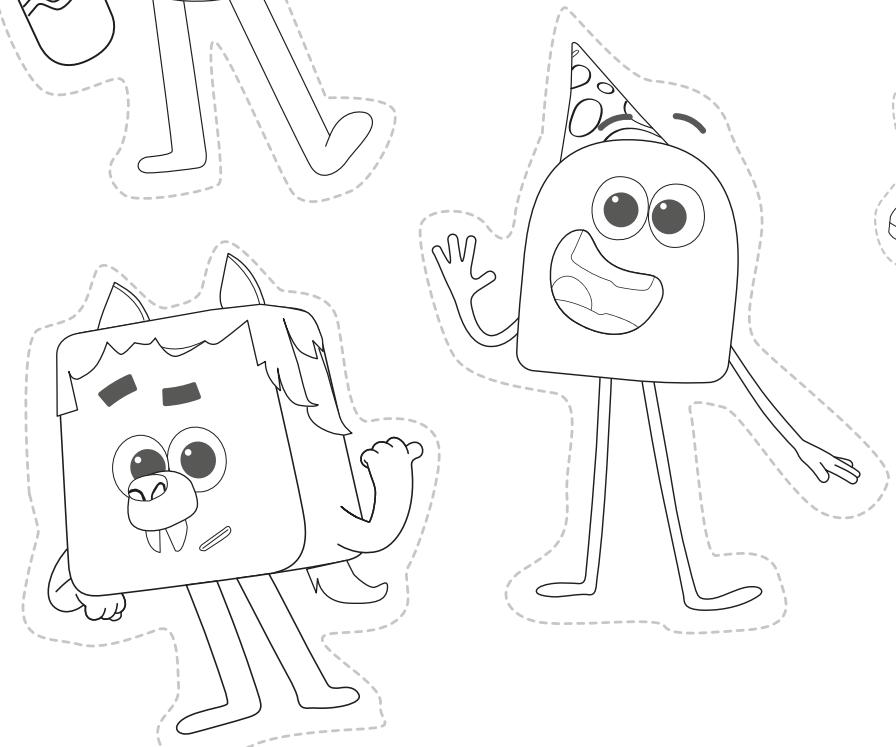

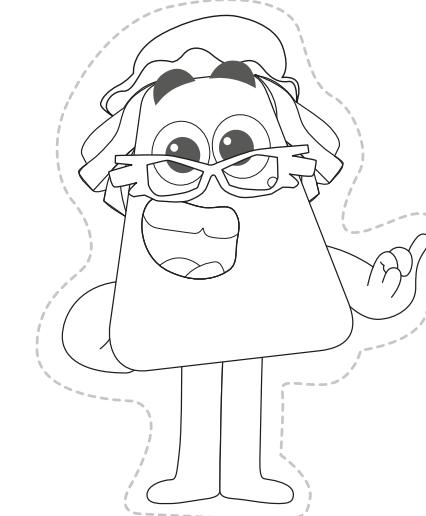

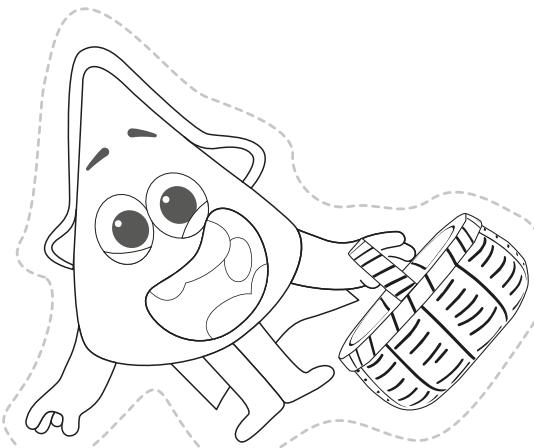

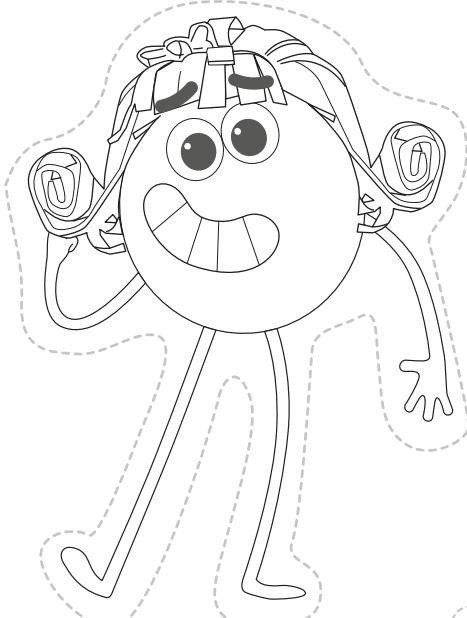

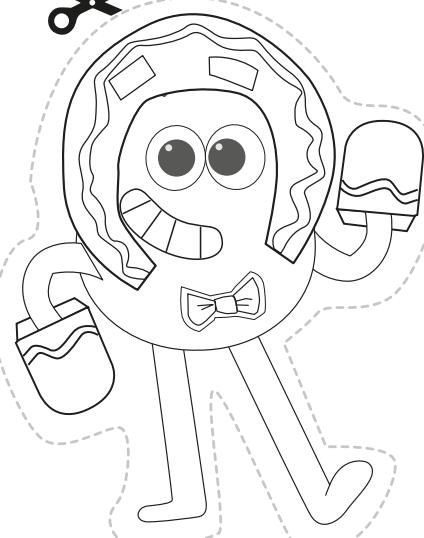

Where is Grandma? Look at your next print out to find out!

Play Together

Colour, snip and play
to make a perfect
party for Grandma!

Play Together

Place the
Colourblocks friends
and food in the scene!
