

Colour Explorer Missions

Go on a Colour Explorer hunt in your home. Find lots of different coloured objects and find different ways to group them. Can you put similar colours together?

When you are out and about, can you find any of the colour partners from this worksheet?

Play this fun dance game.

1. Dance into the middle of the room and say your name.
2. Pick a partner to join you on the dance floor and say why you picked them. Is it because they are similar to you or different? Scan the QR code to listen to the Pick a Partner song while you play.

Scan if you're in the UK.

Scan if you're not in the UK.

For your next mission, find the episode 'Black and White'

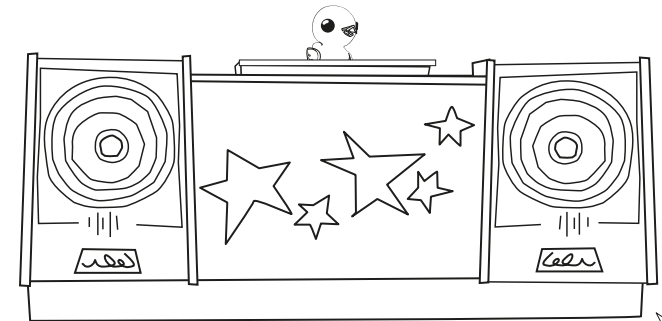

Pick a Partner

Grab your...

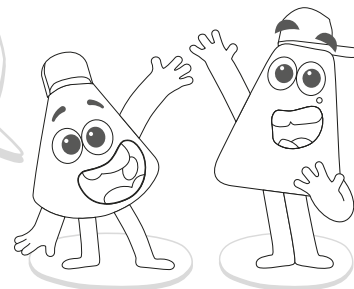

This mission belongs to...

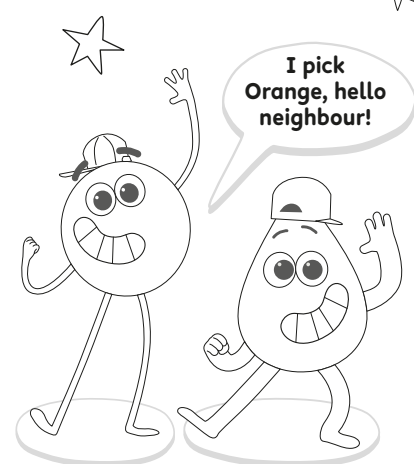

Colour in DJ Ducky's DJ Booth in some cool colours.

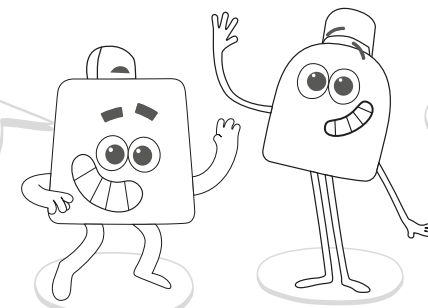

I want to pick someone who looks similar to me!

I pick Orange, hello neighbour!

I pick the colour next to me - Green!

Who are these colour partners? Shout out their names!

Colour order

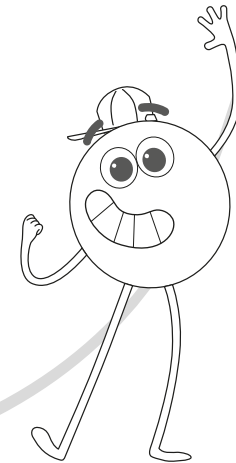

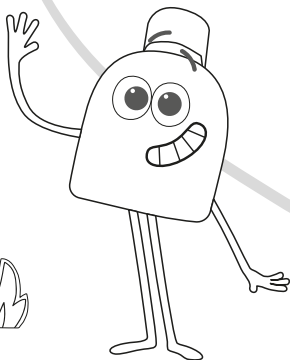

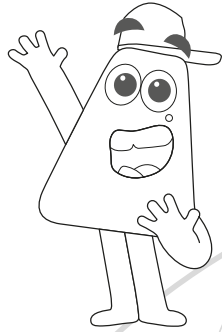

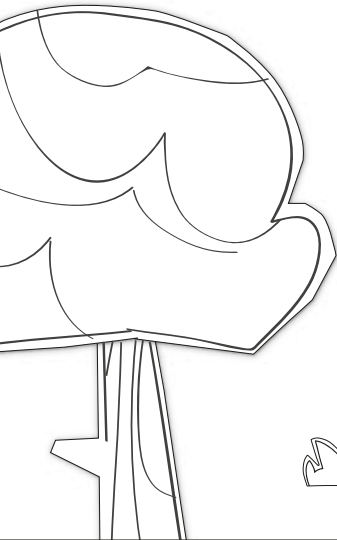

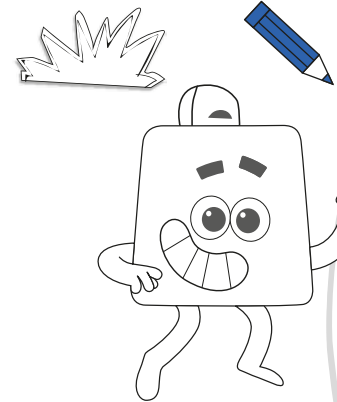

Pick a Partner

Grab your coloured pens and pencils and get colouring!

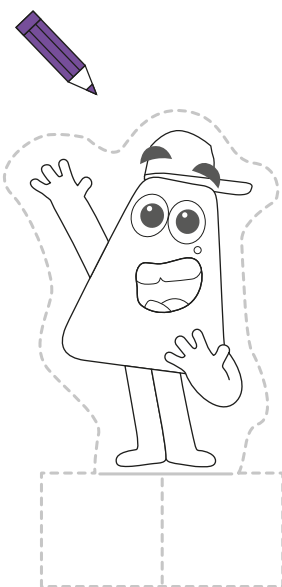

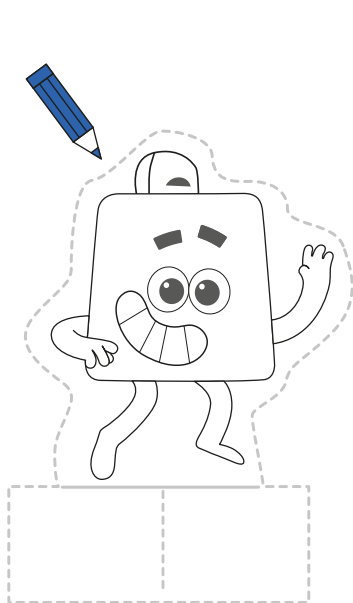

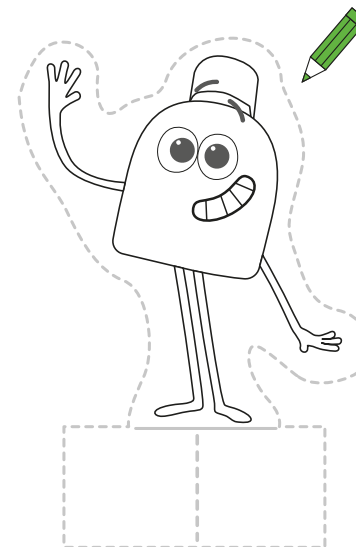

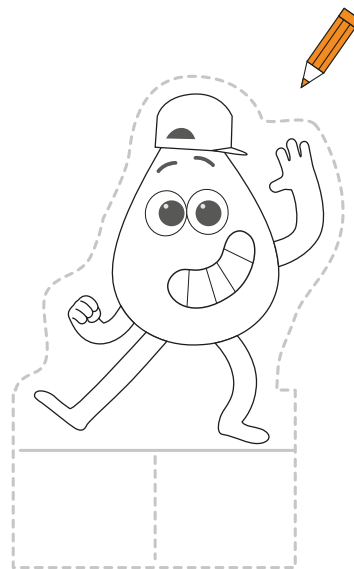

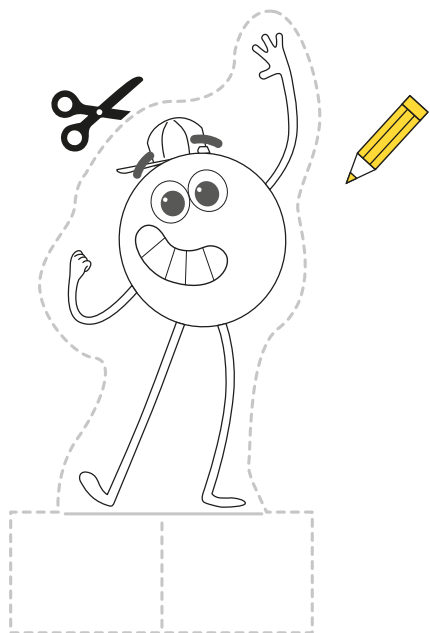

**Can you colour in each circle on the dance floor in the right colour order?
Start with Red.**

Now cut out the Colourblocks from the extra sheet and pop them on their coloured circle so they can boogie with DJ Ducky!

**Cut out these
Colourblocks to
add to the dance
floor in your
booklet!**

**Cut out and wear your
special badge!**
